Not Safe For Church Ten Commandments For Reaching New Generations:

Not Safe for Church Dr. F. Douglas Powe JR., Jasmine Smothers, 2015-01-06 Congregations say they want to reach new and younger people many of whom are simply turned off by church The big idea is that congregations must be willing to embrace radical ways to connect with new generations Re thinking old assumptions is a starting place but more is needed To really connect congregations have to move beyond and start doing new things that are out of their comfort zones These authors give ten ways to help you move from just saying what you intend to actually doing it This book provides tools to help churches re frame the Good News in non traditional ways and study questions for church leadership teams **Boomer Spirituality** Craig Kennet Miller, 2017-01-01 As the boomer generation navigates dramatic change as it ages it will be informed by a unique spirituality that was forged in the tumultuous years of the 1960s and 1970s If you are a boomer you are sure to be reminded of the events and experiences that had an impact on you when you were young If you are the child of a boomer this book will help you understand why your parents act the way they do If you are creating ministry for this generation this will be your guide to the way boomers view the world and look toward the future **The Upper Room Disciplines 2016** Rita Collett, 2015-09-01 The word discipline stirs up many feelings anxiety or anticipation dread or excitement Yet spiritual disciplines or practices can give structure to our Christian life and help us grow spiritually The practice of setting aside a regular time to spend with God reading scripture praying meditating on God s message for us is one of the most helpful disciplines Christians can undertake Let The Upper Room Disciplines help strengthen your daily walk with Christ This award winning daily devotional guide features 53 writers from various Christian traditions and locales Writers for 2016 include Elaine Stanovsky D J del Rosario Mary Donovan Turner Thomas R Hawkins Linda Douty Juan Huertas Chaney Walker Barnes and Heather Murray Elkins The Upper Room Disciplines offers us the annual gift of deciding to be disciplined to schedule and practice daily attention to God We can choose whether to accept this invitation When we do Disciplines grants us the opportunity to meet the living presence of the triune God Father Son and Holy Spirit the one who creates redeems and sustains us through all the seasons of our lives *Saving the Millennial Generation* Dawson McAllister, 1999-02-12 Meaningful relationships genuine connections and real love if those are the things this generation of teens the Millennial Generation is crying out for who can deliver You can says Dawson McAllister Yes you the parent you the youth worker you the teacher anyone who wants to show teens the real love of Jesus Christ But if you want to give Millennials what they re looking for you ve got to be willing to meet them on their own turf And that s not always easy because the Millennial Generation is one of the most skeptical generations in history You don t have to let them down Saving the Millennial Generation will help you understand Millennials what makes them tick and what ticks them off when it comes to school church and home You ll have to earn their trust but it ll be well worth the effort Because in the end you ll build relationships that will bring fruit both today and into all eternity for you and for the Millennials **The Intellectual**

McIntosh,2021-06-08 If most pastors were pressed to describe an average day of ministry they d have trouble doing it In a single day a pastor may fill many different roles in quick succession from counselor to theologian to student to CEO to custodian well let s hope there s usually someone else available to perform that last role Some roles come more naturally than others but every pastor wants to perform each role to the best of their ability In *The 10 Key Roles of a Pastor* church consultant Gary L McIntosh shows pastors how to understand and juggle their many essential roles prioritize their time and energy manage their people s expectations of them and empower others to take up the vital work of the church body Pastors just starting out in ministry as well as those who have been at it a while and find themselves overworked and overwhelmed will value this practical resource It is also an enlightening read for those in church leadership who would benefit from understanding the pressures their pastor faces on a daily basis **The Ten Commandments** William Barclay,1998-01-01

William Barclay saw the Ten Commandments as the universal foundation of all things the basic laws on human conduct in society and the cornerstone of community existence Drawing on his vast knowledge of both Old and New Testaments Professor Barclay examines the ways in which the Ten Commandments demand reverence for God and respect for humankind The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world s most widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ **Essays For The Next Generation** Charles A.
