**Nordic Speculative Fiction** Jyrki Korpua,Aino-Kaisa Koistinen,Hanna-Riikka Roine,Marta Mboka Tveit,2024-12-20 This volume brings together scholarly theories and practices on speculative fiction from the Nordic countries including Denmark Finland Iceland Norway and Sweden that are all rooted in similar values culture and history yet are independent and unique societies The book exhibits both the convergences and the diversity of the Nordics in fiction and fandom as well as in research It traces the roots of Nordic speculative fiction how it has developed over time and how the changes in Nordic environments and societies caused by overhanging shared global issues such as climate change mass migration and technological acceleration find space in speculative practices The first of its kind this book allows for deeper insights into the unique characteristics that make Nordic literature and art recognisable and allows for a better understanding of the place of the Nordics within wider global culture systems The chapters range from literary critiques film and television studies creative works by three Nordic creative writers transcultural text comparisons and contributions on speculative art to theoretical and methodological discussions on fandom worldbuilding and semantics Part of the *Studies in Global Genre Fiction* series this book contributes to connecting Nordic speculative fiction scholarship to the wider global community within the field It will be of interest to scholars and general enthusiasts of speculative fiction and those with interest in Nordic fiction film and television studies literary culture or media studies comparative literature and cultural history or art based research

**True North** B.J. Epstein,2014-06-02 *True North Literary Translation in the Nordic Countries* is the first book to focus solely on literary translation from to and between the Nordic tongues The book is divided into three main sections These are novels children s literature and other genres encompassing drama crime fiction sagas cookbooks and music although naturally there are connections and overlapping themes between the sections Halld r Laxness Virginia Woolf Selma Lagerl f Astrid Lindgren Mark Twain Henrik Ibsen Henning Mankell Janis Joplin and Jamie Oliver are just some of the authors analysed Topics examined include particular translatorial challenges translating for specific

audiences or influencing audiences through translation re translation the functions of translated texts the ways in which translation can change a genre the creation of identity through translation and more As is clear from this list many of the theories proposed and findings discussed here are also relevant to the wider field of translation studies as well as to literary studies more generally It is time for the world s growing Nordicmania to influence the field of translation studies and for translation to take its place as a relevant and essential issue in our understanding of the Northern countries The varied chapters in this book will contribute to these stimulating and critical conversations
