Trembling Yet E. J. R. David, 2018-02-01 A father's personal and intimate account of his Filipino and Alaska Native family's experiences and his search for how to help his children overcome the effects of historical and contemporary oppression. In a series of letters to his mixed race Koyukon Athabascan family, E. J. R. David shares his struggles, insecurities, and anxieties as a Filipino American immigrant man, husband, and father living in the lands dominated by his family's colonizer. The result is *We Have Not Stopped Trembling Yet*, a deeply personal and heartfelt exploration of the intersections and widespread social, psychological, and health implications of colonialism, immigration, racism, sexism, intergenerational trauma, and internalized oppression. Weaving together his lived realities, his family's experiences, and empirical data, David reflects on a difficult journey touching upon the importance of developing critical and painful consciousness, as well as the need for connectedness, strength, freedom, and love in our personal and collective efforts to heal from the injuries of historical and contemporary oppression. The persecution of two marginalized communities is brought to the forefront in this book. Their histories underscore and reveal how historical and contemporary oppression has very real and tangible impacts on Peoples across time and generations. What you're reading is a groundbreaking book: part personal memoir, part rigorous scholarship, part passionate manifesto. Altogether, *We Have Not Stopped Trembling Yet* is an essential work in these unprecedented times. E. J. R. David is among the leading Filipino thinkers we have today, and this book more than lives up to that distinction. Read it, share it, talk about it. Jose Antonio Vargas, Pulitzer Prize-winning journalist, Emmy-nominated filmmaker, and founder and CEO of Define American. David, through his deeply personal words to his family and community, masterfully calls our attention to the systemic injustices that perpetuate themselves under the false promises of the American Dream offered only to some, invisibly blocked to others. We, the witnesses and fellow victims to this truth, cannot look away; we must not. Maraming salamat, E. J., for your vulnerability and courage. May it serve to grow the awareness necessary to shift the trajectory of our future. Ancestors' experiences. Jorie Ayyu Paoli, Vice President and Indigenous Operations Director, First Alaskans Institute. David is gifted with the wisdom and philosophical acumen of an Elder. I emerged from the deep, dark truths about the aftermath of colonialism emanating from David's heart with an amplified sense of urgency to instill hope, resilience, and belief in current and coming generations that this world can and will be a better place. Pausauraq Jana Harcharek, Director of Iupiaq Education, North Slope Borough School District. David has written a spiritual self-examination and cultural critique of his American and his Filipino family. It reminds me of the duality of Black consciousness elegantly depicted by W. E. B. DuBois. In the final summation, he exhorts his native family to love and believe in themselves, to shed the idea that they are special because of their Americanness, and to reclaim their *kapwa*, their humanity. He also challenges White America to find theirs. David has rendered a powerful and valuable meditation guided by self-reflection and familial love, and grounded in intellectual discernment and a generosity of spirit. An inspiring and informative read. James M. Jones, author of *Prejudice and Racism*, Second Edition. This book is a heartbreaking and heart-validating masterpiece about a Filipino American immigrant.
