Nothing Ever Happens In Paradise:

Nothing Ever Happens Alwyn M. Thurber, 1899 **Selected Works of Wilbur C. Tuttle** Wilbur C. Tuttle, I still contend that Magpie Simpkins is too finicky It s all right for a feller to desire to appear to a good advantage especially on Sunday but a finicky person hadn t ought to pack a gun at a time when he s just acquired something out of the ordinary in haberdashery New boots don t mean nothing but misery to me They could set diamonds all the way around the sole but just the same she don t spell nothing but blisters and cramps to Ike Harper Anyway I m so bow legged that my heels have got to be run over on the outside edges before I can be comfortable around the knees Magpie paid twenty dollars for them yaller boots They was glowing with youth vitality and shiny polish when Magpie leaned em against the side of that Pullman berth They was a thing of beauty and a joy forever A pair of boots ain t nothing but footwear except when they re the color of a sunset in Injun Summer and fit like the skin on a sausage and cost twenty dollars Some folks will likely argue that Magpie hadn t owned said boots long enough to become attached to em but to those critics I will say you don t have to have a twenty dollar bill around the house very long before you becomes sentimental about it Me and Magpie are on our way back from the Stampede at Totem where we went to clean up some money figuring that we knowed a little more than the fellers did who run the games We found out that honesty is a poor poker policy in Totem Magpie sheds bitter tears over them boots Their pristine yaller has went A porter suffering from color blindness lack of illumination or gin has rubbed em plentiful with black polish until there ain t nothing identifying left except the shape and size Magpie also bought a new blanket from an Injun robe vender It contains all the colors of the rainbow and the design is supposed to invoke a special blessing from some high cheeked god of some kind Magpie looks at said boots folds em reverently in the blanket and then pushes the bell in the berth Them boots has been under that seat ever since we got up in the morning Magpie being a heap vain desires to pack em openly and places same in the aisle at night along with his regular ones Now that he wishes to show off a little he opines to put em on He sets there in his socks and pushes that little button As I said before Magpie is too finicky and sudden No matter if he did know the certain porter connected with our car and didn t wait for an apology he might a sounded a warning He didn t hit the porter but he would as soon as he got used to the sway of that car cause his third shot busted the glass right by the porter s head Maybe the conductor was right and maybe he wasn t Anyway it s danged bad form to hop on to a man s back when he s trying to settle a personal matter Him and Magpie went down in the aisle and everybody begins to exercise their lungs Being part and parcel of Magpie s crew I immediate and soon bends my gun over the conductor s head Folks will likely say that I was wrong that I had no interest in them yaller boots but there s bound to be some Sundays when Magpie won t wear em and there ain t no law against me dressing up a little What is politely known as consternation seems to prevail Some folks even go so far as to try and hand us their valuables while others seem to have the instinct of prairie dogs and hunt a hole Then the train jerks to a stop which almost upsets me and Magpie backs into me poking shells into his gun

The Only Way Out R.K. MacDonald,2016-09-22 A headstrong young RCMP constable is left alone to police the quiet and peaceful island of Grand Manan New Brunswick However his daily routine is disrupted when the body of a foreign national is found off a local wharf and he finds himself embroiled in a murder investigation that threatens the very fabric of the island community Temporarily isolated from the mainland by a thick fog he decides to pursue the case on his own in defiance of his orders But with time running out and his career at stake he soon discovers there is more going on than he bargained for and the consequences could be deadly

A Good Old-Fashioned Future Bruce Sterling,2011-06-22 From the subversive to the antic the uproarious to the disturbing the stories of Bruce Sterling are restless energy filled journeys through a world running on empty the visionary work of one of our most imaginative and insightful modern writers They live as strangers in strange lands In worlds that have fallen or should have They wage battles in wars already lost and become heroes and sometimes martyrs in their last ditch efforts to preserve the dignity and individuality of humanity A hack Indian filmmaker takes the pulse of a wounded and declining civilization 21st century Britain A pair of swashbuckling Silicon Valley entrepreneurs join forces to make a commercial killing in organic underground slime and computer generated jellyfish A man in a Japanese city takes orders from a talking cat while pursuing a drama of danger and adventure that has become the very essence of his life From *The Littlest Jackal* a darkly hilarious thriller of mercs and gunrunners set in Finland to a stark vision of a post atomic netherworld in his haunting tale *Taklamakan* Bruce Sterling once again breaks boundaries breaks icons and breaks rules to unleash the most dangerously provocative and intelligent science fiction being written today

The Futurica Trilogy Alexander Bard,Jan Söderqvist,2012-02-24 In the late 1990 s Swedish social theorists Alexander Bard and Jan Söderqvist started working on a radical new theory since referred to as The Netocracy Hypothesis At this early stage Bard Söderqvist foresaw that the control of the internet would be the subject of the main power struggle for the next century

The Global Empire Alexander Bard,Jan Söderqvist,2012-02-24 When the foundations of society goes through revolutionary changes caused by new communication technologies there will be consequences The old political conflicts and the old political ideologies disappear replaced by new patterns that initially will be difficult to discern and to interpret
