 The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education
 Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the
 public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the
 early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into
 a blending of history social sciences and civic education Social studies evolution never resolved the differences between the
 three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social
 studies and thus any discipline associated with it **The Rise and Fall of Civic Education The Battle for Social Studies in a**
Shifting Historical Landscape investigates the changing definitions and purposes ascribed to social studies in the United
 States through time This result is viewed through the rising tensions from culture wars as America's divisive politics fight to
 control the narrative of the disciplines within social studies **CTET Practice Workbook Paper 2 - Social Studies/**
