Ryerson Review of Journalism, 2005 **A Nation Worth Ranting About** Rick Mercer, 2012-09-18 An all new collection of furiously funny rants from the most recent seasons of the Rick Mercer Report plus three brilliantly written previously unpublished pieces by Rick Illustrated throughout with photos and snatches of dialogue from Rick's encounters and exploits across Canada Mercer's trademark one camera rants against the Canadian parliamentary machine are more concise and more believable than any campaign ads The Globe and Mail The comedian of choice for viewers who read Toronto Life Canada's hottest TV comic Maclean's Week after week Mercer continues to delight with his alternately giddy and cutting political humour The Canadian Press Canada's leading political satirist The New York Times A good rant is cathartic Ranting is what keeps me sane They always come from a different place Take the prime minister for example Sometimes when I rant about him I am angry other times I am just severely annoyed it's an important distinction Rick Mercer from his introduction Within these pages you'll find every rant that Rick has so brilliantly and blisteringly delivered since the publication of his previous bestseller Rick Mercer Report The Book Together these rants form a chronicle of human folly mostly featuring politicians of course but with honorable mentions going to people who don't know how to use escalators and Canadian drivers who don't think they need snow tires Is Mercer getting better or are the fools among us getting worse Whatever the inspiration Rick Mercer's ranting has never been stronger or more on target There is a loud cathartic laugh to be found on almost every page here with the exception of Rick's impassioned rant on bullying in schools words that touched thousands of Canadians went viral and helped widen the debate on a major problem Also reprinted here is the rant encouraging students to vote which resulted directly in a campus ballot and outrage in Ottawa People still are still standing on the left on escalators and the prime minister is still very much the man he was but you can't win them all In addition Rick has authored three new essays specially for this book the hilarious behind the scenes story of his meeting with Rick Hansen a hero who absolutely was not a disappointment in real life a heartfelt reflection on public reaction to his bullying rant and an account of his response mystified followed by delighted to the news that he'd inspired a vote mob Illustrated throughout with photographs and dialogue from Rick's travels across Canada A Nation Worth Ranting About will make you proud will make you think will make you almost as angry as Rick and over and over again will make you laugh out loud **Is Satire Saving Our Nation?** S. McClennen, R. Maisel, 2016-04-30 The book studies the intersections between satirical comedy and national politics in order to show that one of the strongest supports for our democracy today comes from those of us who are seriously joking This book shows how we got to this place and why satire may be the only way we can save our democracy and strengthen our nation Misinformation and Disinformation Victoria L. Rubin, 2022-06-14 This book geared towards both students and professionals examines the synthesis of artificial intelligence AI and psychology in detecting mis/disinformation in digital media content and suggests practical means to intervene and curtail this current global infodemic This

interdisciplinary book explores technological psychological philosophical and linguistic insights into the nature of truth and deception trust and credibility cognitive biases and logical fallacies and how through AI and human intervention content users can be alerted to the presence of deception The author investigates how AI can mimic the procedures and know hows of humans showing how AI can help spot fakes and how AI tools can work to debunk rumors and fact check The book describes how AI detection systems work and how they fit with broader societal and individual concerns Each chapter focuses attention on key concepts and their inter connection The first part of the book seeks theoretical footing to understand our interactions with new information and reviews relevant empirical findings in behavioral sciences The second part is about applied knowledge The author looks at several known practices that guard us against deception and provides several real world examples of manipulative persuasive techniques in advertising political propaganda and public relations She provides links to the downloadable executable files to three AI applications clickbait satire and falsehood detectors via LiT RL GitHub an open access repository The book is useful to students and professionals studying AI and media studies as well as library and information professionals Examines how artificial intelligence AI and psychology can aid in detecting mis disinformation and the language of deceit in digital media content Suggests practical computational means to intervene and curtail the global infodemic of fake news Presents how AI can sift sort and shuffle digital content to reduce the amount of content needed to be reviewed by humans

Celebrity Cultures in Canada Katja Lee, Lorraine York, 2016-05-20 *Celebrity Cultures in Canada* is an interdisciplinary collection that explores celebrity phenomena and the ways they have operated and developed in Canada over the last two centuries The chapters address a variety of cultural venues politics sports film and literature and examine the political cultural material and affective conditions that shaped celebrity in Canada and its uses both at home and abroad The scope of the book enables the authors to highlight the trends that characterize Canadian celebrity such as transnationality and bureaucracy and explore the regional linguistic administrative and indigenous cultures and institutions that distinguish fame in Canada from fame elsewhere In historicizing and theorizing Canada's complicated cultures of celebrity *Celebrity Cultures in Canada* rejects the argument that nations are irrelevant in today's global celebritiescapes or that Canada lacks a credible or adequate system for producing distributing and consuming celebrity Nation and national identities continue to matter to celebrities to fans and to institutions and industries that manage and profit from celebrity systems and Canada this collection argues has a vibrant powerful and often complicated and controversial relationship to fame

Ordinary People and the Media Graeme Turner, 2010 The demotic turn is a term coined by Graeme Turner to describe the increasing visibility of the ordinary person in the media today In this dynamic and insightful book he explores the whys and hows of the everyday individual's willingness to turn themselves into media content through Celebrity culture Reality TV DIY websites Talk radio User generated materials online Initially proposed in order to analyse the pervasiveness of celebrity culture this book further develops the idea of the demotic turn as a means of

examining the common elements in a range of hot spots in debates within media and cultural studies today Refuting the proposition that the demotic turn necessarily carries with it a democratising politics this book examines the political and cultural function of the demotic turn in media production and consumption across the fields of reality TV print and electronic news and current affairs journalism citizen and online journalism talk radio and user generated content online It examines these fields in order to outline a structural shift in what the western media has been doing lately and to suggest that these media activities represent something much more fundamental than contemporary media fashion Bullying Ian Rivers, Neil Duncan, 2013 Provides researchers and practitioners with a baseline upon which to develop research or enhance an understanding of ways of conceptualising and challenging bullying related to gender sexuality and transgender status

It is our richest season yet and we're thrilled to offer you a taste of our smartest, most persuasive and thoughtful non-fiction titles. Step back in time and experience the world through the lenses of some of history's most influential and adventuring figures: da Vinci, George Mallory, van Gogh. Get to know in unmatched detail three of Canada's most intriguing personalities: a beloved hockey coach, a timeless performer and one of our most entertaining satirists. Share in poignant moments of family love and loss in unforgettable memoirs and engage in some of the most topical debates of today: from religion's role in foreign policy to work-life balance to the Native American experience. Showcasing only the best in non-fiction from Rick Mercer award winners Ross King and Wade Davis, Rosie DiManno, Andrew Preston, Sylvie Simmons, Modris Eksteins, Thomas King and Gretchen Rubin, as well as introducing stories and ideas from bright talents like Will Schwalbe, Gerry Dee and JJ Lee. *Best of Non-Fiction Fall 2012* will capture your imagination and spark your curiosity, bringing you to some of this season's most gripping, reflective and stirring reads.

Mars Analog Research Jonathan D. A. Clarke, 2006 *The Memory Effect* Russell J.A. Kilbourn, Eleanor Ty, 2014-03-25
The Memory Effect is a collection of essays on the status of memory: individual and collective, cultural and transcultural in contemporary literature, film and other visual media. Contributors look at memory's representation, adaptation, translation and appropriation, as well as its mediation and remediation. Memory's irreducibly constructed nature is explored even as its status is reaffirmed as the basis of both individual and collective identity. The book begins with an overview of the field with an emphasis on the question of subjectivity. Under the section title Memory Studies: Theories, Changes and Challenges, these chapters lay the theoretical groundwork for the volume. Section 2: Literature and the Power of Cultural Memory. Memorializing focuses on the relation between literature and cultural memory. Section 3: Recuperating Lives. Memory and Life Writing shifts the focus from literature to autobiography and life writing, especially those lives shaped by trauma and forgotten by history. Section 4: Cinematic Remediations. Memory and History examines specific films in an effort to account for cinema's intimate and mutually constitutive relationship with memory and history. The final section: Multi-Media Interventions. Television, Video and Collective Memory considers individual and collective memory in the context of contemporary visual texts at the crossroads of popular and avant-garde cultures.

Righting Canada's Wrongs: The LGBT Purge and the fight for equal rights in Canada Ken Setterington, 2022-10-18 From the 1950s to 1980s the Canadian government persecuted LGBTQ2 employees and tried to erase them from the military, the RCMP and the civil service under the guise that they were a security risk, an event that became known as the LGBT Purge. Those who were suspected of being homosexual were put under government surveillance, interrogated and intimidated. They were fired from their jobs. Many quit to avoid being exposed. Some committed suicide as a result. In the 1980s victims of the Purge fought back with a class action suit against the government that helped shed light on the systemic discrimination that members of the LGBTQ2 community faced.

from the government and the rest of society In 2017 the federal government issued a formal apology on behalf of the government and Canadian society for the treatment of members of the LGBTQ2 community In this highly visual book author Ken Setterington presents the struggle for LGBTQ2 rights using photographs first person accounts and excerpts from archival documents Significant events in the struggle include the establishment of Pride parades the Bathhouse Raids the decriminalization of homosexuality the passing of the Canadian Charter of Rights and Freedoms the LGBT Purge and the legalization of same sex marriage While the government s formal acknowledgement of past injustices started Canada on a better path toward equality there is still work to be done This book would be a welcome addition to any classroom or library s social justice collection and will appeal to adults interested in LGBTQ2 rights in Canada This title is also available in immersion French La purge LGBT et la lutte pour l égalité des droits au Canada ISBN 9781459419889 **Report of Investigations** ,1949 **Like a Boy but Not a Boy** andrea bennett,2020-10-13 Inquisitive and expansive Like a Boy but Not a Boy explores author andrea bennett s experiences with gender expectations being a non binary parent and the sometimes funny and sometimes difficult task of living in a body The book s fourteen essays also delve incisively into the interconnected themes of mental illness mortality creative work class and bike mechanics apparently you can learn a lot about yourself through truing a wheel In Tomboy andrea articulates what it means to live in a gender in between space and why one might be necessary 37 Jobs 21 Houses interrogates the notion that the key to a better life is working hard and moving house And interspersed throughout the book is Everyone Is Sober and No One Can Drive sixteen stories about queer millennials who grew up and came of age in small communities With the same poignant spirit as Ivan Coyote s Tomboy Survival Guide Like a Boy but Not a Boy addresses the struggle to find acceptance and to accept oneself and how one can find one s place while learning to make space for others The book also wonders it means to be an atheist and search for faith that everything will be okay what it means to learn how to love life even as you obsess over its brevity and how to give birth to bring new life at what feels like the end of the world With thoughtfulness and acute observation andrea bennett reveal intimate truths about the human experience whether one is outside the gender binary or not **Report and Appendix ...** Great Britain. London livery companies' commission,Royal Commission on the Livery Companies of the City of London,1884 **End of the CBC** David Taras,Christopher Waddell,2020-02-18 The End of the CBC is about three overlapping crises the crisis that has enveloped the CBC the crisis of news and the crisis of democracy They are all the result to some degree of the vast changes that have overtaken and consumed the media world in the last ten to fifteen years The emergence of platforms such as Google Facebook Twitter and Netflix the hyper targeting of individual users through data analytics the development of narrow online identity communities and the rise of an attention economy that makes it more and more difficult for any but the most powerful media organizations to be noticed have changed the media landscape in dramatic ways The effects on the CBC and on other Canadian media organizations have been shattering Describing the failure of successive governments to address

problems faced by the public broadcaster this book explains how the CBC lost its place in sports drama and entertainment Taras and Waddell propose a way forward for the CBC one in which the corporation concentrates its resources on news and current affairs and re-establishes a reputation for depth and quality
