Robin Williams Chris Johnston,2015-09-25 Robin Williams101 Greatest Life Lessons Inspiration and Quotes From Robin Williams Many unique and wonderful biographies have already been written about Robin Williams and he is a comedic icon so it is difficult to develop a unique perspective on this intense man Following the lives of the rich and famous has always been a pastime of those who have calmer more ordinary lives As the song from Camelot the musical puts it What do simple folk do They sit around and wonder what royal folk would do and that s what simple folk do But for a man like Robin Williams who was in the performer s spotlight for many years you have to wonder whether the stories are about the man or about the roles he played on stage on film on television and even in his private life More than that what do these stories mean to us and what might we learn from them What's Your Life Trying To Teach You? Aronson,2021-09-27 Whatever is a book about you Whatever will help you in your daily life Whatever will also help you to help others If Jerry Seinfeld can write a show about nothing and Cosmo Kramer can write a coffee table book that turns into a coffee table I can write a book about Whatever We all have stuff we all need to learn how to deal with We need to adapt in helping others with their stuff also Many times people don't need physical help They are just looking for someone to talk to

and maybe get another perspective of the situation or someone whom they just needed to vent to Be a good listener It s not always about you When you help someone chances are you are helping yourself At times people just need some help The littlest things can make such a big difference a smile a laugh or even just opening the car door for someone This book is over twenty years and a lifetime of observations situations and experiences I have had and many you have had The key element of Whatever is to help yourself first and then for you to pass it on to others We are just a world of people helping people and sometimes we need a little help I hope you enjoy reading Whatever and have some laughs and smiles along the way I know you have seen some of the writings and pictures before Maybe now you will be able to look at your life differently Whatever will help you do that and also for you to help someone else Remember what they tell you on an airplane Secure your own oxygen first before helping others Enjoy your time
