Rock Bottom R. K. Lilley, 2013-11-25 ROCK BOTTOM BOOK TWO TRISTAN DANIKA Their love had the power of a runaway freight train and the potential to be just as destructive The tempestuous sequel to Bad Things picks up where the first book left off Reeling from a profound loss Tristan and Danika struggle to pick up the pieces and build a life together but the hard habits of a lifetime are not so easy to escape Rock Bottom takes us on a dual point of view journey through addiction and desire through love and agony and answers the question we've been asking since these characters were introduced in Grounded What happened between Tristan and Danika DANIKA Even love couldn't cushion a fall like ours My love for Tristan was so big that I felt consumed by it and even so it was not enough to overpower our combined demons I struggled I yelled and screamed I scratched and kicked I fought like hell but even the most determined fighters have to stop before they break No one could say I didn't fight for him I love you I spoke softly into his ear He gripped me harder I can't ever lose you Danika I'm not sure I'd survive it You've got me And I'm not going anywhere Not ever I meant the words when I said them but life had other plans for us I'd have given my life for that fight In fact I very nearly did TRISTAN She was the one If I'd ever had a doubt I didn't now She was the one I'd be thinking about longing for until I took my last breath If I lost her tomorrow I'd pine for her like a lovesick fool This was the kind of love that only hit you once in your life This book is intended for readers 18 and up
