10. *Give only one answer; write in full and underline, then, the particular statement which correctly completes the sentence.* (This question involves choosing the appropriate form which best fits the context of the sentence.)

This study was the product of a large, all-Ireland collaborative investigation to particularly address college students' attitudes toward the Irish diaspora. It is not an attempt to be exhaustive. It's about what was perceived as necessary. The researchers to particularly understand college students' attitudes toward it was all the things that we could think of, namely, the diaspora, the Irish culture, the Irish language, the Irish economy, the Irish education system.
