

SPEECH BY THE LEADER OF THE HOUSE

TRIBUTE ON THE ELECTION OF THE SPEAKER OF THE THIRTEENTH PARLIAMENT

Madam Speaker, on behalf of all Members of this House, I congratulate you on your re-election as Speaker of the Thirteenth Parliament.

2 Madam, your election as Speaker in 2013 endowed the office with eleven years on both the front- and back-benches. You championed passionately for the disadvantaged in Singapore. You pushed for fair treatment of workers and fought on behalf of those in need. You sought to ensure that Singapore is a country where all Singaporeans have fair access to opportunities and can enjoy the fruits of our progress. As the Minister of State for the then Ministry of Community Development, Youth and Sports and subsequently, the Ministry of Social and Family Development, you worked tirelessly to extend needed help to women, families and children.

3 In the last three years as Speaker, your impartiality and decisiveness have gained the respect of all Members of the House. In discharging your duties, your fairness upheld the decorum of this House, and your firmness has ensured that the proceedings are expeditious, smooth and orderly. Under your guidance, the good standing of this House will continue to be maintained.

4 The coming session of Parliament will present us with many difficult but necessary decisions. To provide Singaporeans with quality living, our infrastructure and landscape must be refreshed, our economy must continue to be dynamic, and our social safety nets must be strengthened. We must build good homes for people to live in, provide an efficient transport system for commuters, continue economic restructuring to create good jobs for our

Committee on Appropriations,1971 **Annual Report of the Secretary of Veterans Affairs** United States. Department of Veterans Affairs, Victimhood in American Narratives of the War in Vietnam Aleksandra Musiał,2020-03-02 This book revisits the American canon of novels memoirs and films about the war in Vietnam in order to reassess critically the centrality of the discourse of American victimization in the country s imagination of the conflict and to trace the strategies of representation that establish American soldiers and veterans as the most significant victims of the war By investigating in detail the imagery of the Vietnamese landscape recreated by American authors and directors the volume explores the proposition that Vietnam has been turned into an American myth demonstrating that the process resulted in a dehistoricization and mystification of the conflict that obscured its historical and political realities Against this background representations of the war s victims Vietnamese civilians and American soldiers are then considered in light of their ideological meanings and uses Ultimately the book seeks to demonstrate how in a relation of power the question of victimhood can become ideologized transforming into both a discourse and a strategy of representation and in doing so to demythologize something of the Vietnam of American cultural narrative **Basic Types of Speech** Ralph Borden Culp,1968
