The Art of Preaching Daniel Cardo,2021-08-27 The Art of Preaching A Theological and Practical Primer explores the theological understanding of the homily lessons from classical and contemporary rhetoric the relevance of preaching for the life of the Church highlighting recent teachings of the Magisterium and it presents the incarnation as the foundation for preaching understood as an essential aspect of the priestly life and mission This primer offers a simple and effective method for the preparation and delivery of homilies The book also provides a selection of homilies from the great preachers of the Church organized chronologically with brief introductions and commentaries that highlight what those homilies teach us for preaching today 10 Power Principles for Christian Service Warren W. Wiersbe,David W. Wiersbe,2010-07-01 In a church culture that is rapidly losing its unique intergenerational make up in favor of small groups and even entire churches designed to target specific age groups it can be difficult for ministers to relate to those who are not in their own demographic But Warren and David Wiersbe representing two generations believe that generational differences should not keep ministers from relating to their congregations In this thoughtful and practical book they offer ten principles for Christian service that always work at all times and in all places inviting ministers to get back to the basics of serving others New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they can relate and minister to people of all ages Fifteen Sermons Preached Before the University of Oxford, Between A.D. 1826 and 1843 Saint John Henry Newman,1880 *Lectures on Homiletics and Preaching, and on Public Prayer* Ebenezer Porter,1834 **One Year to Better Preaching** Daniel Overdorf,2013-09-06 One Year to Better Preaching provides preachers with fifty two hands on exercises that sharpen their homiletical skills The book is designed particularly for those who preach each week and have been perhaps for some time to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity fresh approaches to sermon preparation and design and sharpened verbal and nonverbal communication skills Novice preachers also will find the exercises useful in developing their preaching abilities Each chapter includes instructions for an exercise tools and suggestions needed for the exercise comments from preachers who completed it and recommended resources for further study The exercises address eight categories of homiletics Prayer and Preaching Bible Interpretation Understanding Listeners Sermon Construction Illustrations and Applications Word Crafting The Preaching Event Sermon Evaluation Readers can complete the exercises in the order presented which address different categories week to week or they can sharpen their skills in a particular category over a period of weeks by using the chart provided They might also work through the exercises in collaboration with other preachers One Year to Better Preaching will leave a preacher reinvigorated and better equipped to proclaim the Word of God skillfully passionately and effectively **The Art of Preaching and the Composition of Sermons, with an Introductory Essay on the Present Position and Influence of the Pulpit of the Church of England** Henry Burgess,1888 **Richard Baxter's Reformed Liturgy** Glen J. Segger,2016-04-08 The English

Civil War and its aftermath was a time of human devastation political uncertainty and religious instability Amid the turmoil of those times however the Church of England also saw intense liturgical inventiveness The Directory for Public Worship Jeremy Taylor s Communion Office and Richard Baxter s Reformed Liturgy are all examples of resourceful liturgies born out of the ashes of the English Civil War The Church of England had not witnessed such liturgical innovation since Thomas Cranmer and would not see such creativity again until the end of the twentieth century at least in terms of liturgical texts In Richard Baxter s Reformation of the Liturgy Glen J Segger examines the theology and ecclesiology of Baxter s liturgical opus While never approved for public use the Reformed Liturgy remains an important and creative liturgy representative of those who fought for their Puritan convictions but lost
