

Paragraph Structure

Linwood Rumney '03

Regard the paragraph as the unit of organization for your essay (Strunk and White 15). Paragraphs can be of varying lengths, but they must present a **coherent argument** unified under a **single topic**. Paragraphs are hardly ever longer than one page, double-spaced and usually are much shorter. Lengthy paragraphs usually indicate a lack of structure. Identify the main ideas in the paragraph to see if they make more sense as separate topics in separate paragraphs. Shorter paragraphs usually indicate a lack of substance; you don't have enough evidence or analysis to prove your point. Develop your idea or integrate the idea into another paragraph.

The **structure of a paragraph** parallels the structure of an essay in order as well as content. Both contain a coherent argument, supporting evidence/analysis, and a conclusion. Specifically, the contents of a paragraph are as follows:

The Topic Sentence serves two functions: first, it functions as the thesis of your paragraph; second, it pushes the thesis of your essay forward and presents an arguable point. The topic sentence is usually the first or second sentence of a paragraph. *Occasionally*, you may find it interesting or necessary to place the topic sentence at the end of the paragraph, but don't make a habit of it!

Supporting Evidence/Analysis makes your claim digestible. You need to find a balance between evidence you provide (facts, quotations, summary of events/plot, etc.) and analysis (interpretation of evidence). If your paragraph is evidence-heavy, you haven't presented an argument; if it is analysis-heavy, you haven't adequately supported your claim.

Sample One Paragraph Essay

Xiang Xie

Sample One Paragraph Essay:

Thank you unquestionably much for downloading **Sample One Paragraph Essay**. Most likely you have knowledge that, people have seen numerous times for their favorite books taking into account this Sample One Paragraph Essay, but end going on in harmful downloads.
