Political Correctness in Academia Sandra Dzenis, 2025-03-22 This book explores the phenomenon of political correctness in academia and explains why and how scholars and administrators impact PC's prominence in the academic sphere. To do so it examines the actions of these agents through the lens of public choice theory, revealing how self-interested strategies drive the policies and norms of the university. The book examines the ideological dimensions of political correctness and highlights four key spheres of influence: academic research, higher education curricula, affirmative action, and speech codes. The book offers a nuanced exploration of how PC and liberalism have common ground. It demonstrates how the liberal values of equality and individual liberty largely underpin PC, whose regulatory function is to protect a liberal value system from illiberal truth claims. Yet the book also shows how interest groups form around the concept of PC in universities and have successfully used systems of rent seeking and collective action to shape institutional policy and protect their members from ideological and professional competition, which can be seen as a violation of classical liberal principles of fair competition and equal opportunity. This book is a valuable tool for researchers working in political economy and PPE, politics, philosophy, and economics, as well as those interested in the political economy of academia and the concept of PC more generally. **Life,**

Love, Laughter, Liberty John Osman, 2015-01-30 At a time when journalists all over the world, from a sophisticated city like Paris to less developed areas in the Middle East and elsewhere, are being targeted by terrorists for murder, the author himself, a top 20th century correspondent for newspapers, television, and radio, dedicates his work to journalists and broadcasters everywhere, as well as to his family. He hopes that by reading about the triumphs and disasters of his career, other wordsmiths might perhaps learn something useful about how to go about getting news and how not to do so. The book is not only an account of an adventurous and action-packed life, but it is a work that is sometimes deeply serious, at other times wryly comical, but always thoughtfully reflective. The 85-year-old author worked all over the world, covering historic events, meeting and interviewing famous and infamous politicians, and other controversial characters, reporting wars, revolutions, and upheaval of all kinds, being imprisoned in some countries and deported from others, as well as covering much more pleasant events such as royal tours by the Queen, Royal Ascot, the Centenary Gala Concert of the Royal Opera House in Covent Garden, the opening of Disney World in Orlando, Florida, and the re-opening and re-erection of the old London Bridge in Lake Havasu City, Arizona. From the White House in the United States of America to the Kremlin in the former Soviet Union, from Buckingham Palace in London to mud huts in Africa, caves in the Yemen, and a ger or yurt in the Gobi Desert in Outer Mongolia, in 100 countries over nearly 70 years, John Osman travelled impressively and has lived his long life to the full. He has enjoyed writing this book after being inspired to do so by a premature BBC report in 2012 that he was dead.

Christmas in Sunset Cove Tori Mitchell, 2024-11-29 When you're looking for love, a little mistletoe can't hurt. As the head pediatric nurse at Sunset Cove Community Hospital, Adam Locke is in charge of gathering Christmas gifts for hospitalized

children He's eager to put on his Santa suit and spread some holiday cheer This could also be his chance to get closer to Emma Miller the local mom who instantly caught his eye Emma Miller is ready to start dating again She's got just one rule her daughter always comes first When Adam asks for help with the hospital's toy drive Emma jumps at the chance to show her daughter the true meaning of Christmas and small town kindness She won't say no to spending time with Adam either When the donated toys are stolen from Emma's bookstore it starts a chain reaction that could put Emma's dreams and any hopes for a future with Adam on hold Can they pick up the pieces in time to save Christmas and find their way back to each other before ringing in the New Year

Buckeye Flyer, 1994 **Christians, Beware!** Magna Parks, 2007 Several years ago I happened to come across a sermon by a pastor who delineated several spiritual dangers inherent in the field of psychology Initially I was not happy about what I read in this sermon because the writer attacked most if not all that I had been taught as a psychologist But as the Holy Spirit worked on my heart and led me to further study this issue I finally had to admit that there are many concepts in secular psychology that are in direct conflict with the Word of God What an eye

opening experience it was for me Dear reader as you go through this book it is my prayer that you will allow your mind to be opened to the information that will be shared It is my hope that we as individuals will learn that we can turn to God for help with every problem that comes our way It is also my desire that on a corporate level we will realize that God s Word contains all that we need to have a flourishing vibrant church All things are possible with God Magna Parks Ph D Pleasure Zones David Bell,Jon Binnie,Ruth Holliday,Robyn Longhurst,Robin Peace,2001-07-01 How does a subculture appropriate space within the dominant culture What is the city s relationship to the body Geographers from England and New Zealand apply queer theory in their consideration of the human body as a vehicle for understanding relationships between people and place These provocative essays examine the body as an entity constricted by gender sexuality race class nationality and disability They also look at sexual identity as it relates to communities and how humans do gender through regulated practices such as heterosexuality Pleasure Zones tackles topics such as the politics of gay men s health the relationship of sex and death to the city erotic urban landscapes and how public policy labels lesbians Each essay attempts to reconcile queer theory and social and cultural theory with the discipline of geography The result is an illuminating and accessible look at the formation of personal and collective identities Building on two decades of geography that recognizes the body as a politicized site of struggle and applying the perspective of the sexual dissident Pleasure Zones brings a fascinating variety of human experiences into sharp relief The MAC Flyer United States.
