*Multiple Literacies for Dance, Physical Education and Sports* Stephen G. Mogge, Shelly Huggins, Jaye Knutson, Elin E. Lobel, Pamela Segal, 2023-03-14 This book explores a spectrum of literacies relevant to dance physical education and sports It examines conceptions of movement literacies disciplinary literacies and traditional school literacies It includes theory research and instructional practice related to the uses of traditional print multimedia and embodied physical literacies These literacies function independently but are also overlapping and mutually reinforcing in comprehensive instructional planning As movement and activity related fields continue to explore the potential for multiple literacies this book introduces numerous possibilities both conceptual and practical for consideration Pre service and in service teachers in dance and physical education programs will learn how to integrate multiple literacies in curriculum design and teaching Graduate students will examine theoretical premises of movement and disciplinary literacies and become familiar with original research on these topics Teachers school administrators coaches and athletic directors will use the book in order to guide the inclusion of movement and activity based fields in the disciplinary literacy agenda now common in Pre K through secondary schooling Media rich chapters including photographic video and other graphic images allow students to access concepts through multiple modalities

**Managing Sports and Risk Management Strategies** Herb Appenzeller, 1993 The hallmarks of a successful athletics program are many It takes more than talent on the field or among the coaching staff to offer solid athletics and sports programs An effective sports program depends on faculty management and recruitment facilities management organization and administration of athletics contests crowd control equipment procurement and care public relations contract negotiation budgeting and finance transportation coordination drug education and policy enforcement communication fund raising and sports marketing to name a few Over and above all the daily responsibilities for students faculty and facilities is risk management In today s litigious world safety consciousness and concern is not enough The athletics director must initiate an active program of risk and liability management that is well grounded in providing safe equipment and areas for players as well as safe spectator areas Safety measures and efforts must be demanded of everyone involved in the sports program Effective documentation must be maintained A large proportion of this book is dedicated to risk management strategies in an effort to help athletics directors provide the safest possible facilities and to aid in record keeping The appendixes offer a number of forms and checklists that can be used effectively in risk management initiatives
