Date: March 15th, 2021

Dear colleagues,

I would like to introduce myself formally to all my colleagues before I get settled as the new Deputy Marketing Manager with Allen Wellness Products.

Before joining here, I have worked with Biotech Products as Deputy Marketing Manager for two years. Working with Biotech Products was a great learning experience for me and it give me an exposure to the wellness industry. During my tenure, I have undertaken various marketing projects of promoting the company across different cities. In last two years, I was fortunate enough to contribute to successful launching of Biotech Products in New York and Chicago. My role also involved heading a team of over twenty employees and working in synergy with them to achieve different marketing goals.

When I am not working, I enjoy playing cricket and if not playing cricket then watching the game. After my work, cricket is the next best thing in my life.

All the people I have met at the company so far have been very welcoming and professional and I am very sure that we are going to achieve new heights as a team. I look forward to meet those who I haven't met yet.

My extension number is 1234. Please don't feel hesitant to stop by.

Regards,

Andrew Jackson

Deputy Marketing Manager

Book Reviews I have been a regular user of the book by Prof Nira Konar and found it a very reliable resource The chapters on Group Discussion and Body Language are particularly helpful Besides the chapter on Communication Theory has been relevantly and effectively explained keeping in mind the needs of the students Overall the book is very accessible by all levels of students It is a part of recommended reading for my students

Nandini Mukherjee Course Coordinator Department of Communicative English St Xavier s College Kolkata An extremely concise lucidly written and reader friendly book that serves as a handy reference manual for all in service English language teachers of degree engineering colleges The B Tech Communicative English syllabus has been closely followed with detailed sections on grammar writing and comprehension The chapters on vocabulary take an insightful look at etymology word origins synonymy and antonymy Detailed word lists and practice exercises make the section extremely helpful for practicing teachers The sections on grammar are fairly detailed offering a thorough analysis of Verbs Tenses Voice Narration Transformation of Sentences and Error Correction There are plenty of practice exercises for the teacher to choose from

Reading skills are well discussed and technical writing is given all the importance and predominance it usually occupies in any course on technical communication. The section on report writing is extremely useful as a guide for teachers for teaching students the formatting and writing essentials in documenting reports. There is a section on professional speaking too which enriches the content of the book. On the whole, the book is of continuing usefulness and relevance in any technical English course and will be used by teachers and students alike for many years to come.

Dr Indrajit Bose, Assistant Professor of English, GNIT Kolkata.

Dr Konar's book acts as a comprehensive guide to the students of professional technical as well as basic courses to hone their language skills. The language of the book is persuasive, fluid, and student friendly, which makes it useful even to the first generation learners of English. The scope of this book extends from word building to report writing and covers almost all the thrust areas of language training in a nutshell. Hence, it deserves a shelf space in the library of any institution.

Ayushman Banerjee, Assistant Professor in English, Haldia Government College, Kolkata.

This is one of the best books on Communication available in the market. Dr Nira Konar is a brand by herself whenever English Language Teaching (ELT) comes into discussion. This compact edition discusses in detail the various aspects of language ranging from Vocabulary, Grammar, Syntax to effective communication in business. The book gives a clear reading of LSRW skills such as writing, reading, listening, and public speaking. It further confers different means of effective communication: situational dialogues, body language, and group discussions. The book follows the present MAKAUT curriculum of English for B.Tech 1st year 2nd Semester (HM/HU 201/HM/HU 291) thoroughly. It not only gives an overview of the Theory syllabus but also provides details of Language Laboratory activities as well. Communication Skills for Professionals enables the readers to express themselves clearly and communicate effectively at the workplace. This book not only deals with the rudiments of communication but also gives insights into the body language and provides important tips on how to be successful at interviews and group discussions. Primarily intended for students of engineering and technology, the book will also be useful for Management students and the students of all disciplines who want to acquire the skill in corporate communication and excel in their respective professional areas.

Sohini Datta, Assistant Professor, Department of Management, IEM Sector V, Salt Lake, Kolkata.

Easy and in-depth writing on the subject is the aim of this book. The author has put in here the fruits of teaching the students from the wide-ranging and first-hand knowledge of business speaking and writing and listening in a friendly way. It is enriched with extensive references. On every page of the book, the students will see how a simpler style of English is balanced with their need.
