

A Love Letter For Sister Who Hates Me

Dear "Name of your Love"

I hope this letter finds you in the best of health, and I hope this letter also finds acceptance from you. You are a lovely piece of my heart, which I cannot do without. I always feel your absence. I never knew that one incident would be so strong between us to question our bond at once; neither do I wanted that to happen any day.

I don't even want to pen those reasons, which pushed us to this point today. I want you to know and know it totally that your brother loves you wholeheartedly.

You are a very precious gem in my life. I still cherish those moments when we used to play together, get things broken. The next moment mom would make an excellent class of us, but we both would gulp it because we shared it. These little moments always cheers my mind all way up. But the fact that we are so distant apart with our bond is not acceptable to me so quickly. I know you are upset with me, but I even know my sister cannot hate me back. Let us not drag this longer, come back to me.

No one can take your place in my life and my heart. I want you back to complete the broken pieces in my life. On my part, I apologize to you for anything that remains. Come back; I love you.

Regards

Siblings at School: A Small Group Curriculum and Writing Project , A Saint of Our Own Kathleen Sprows Cummings,2019-02-27 What drove U S Catholics in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and American culture Throughout much of U S history the making of a saint was also about the ways in which the members of a minority religious group defined defended and celebrated their identities as Americans Their fascinatingly diverse causes for canonization from Kateri Tekakwitha and Elizabeth Ann Seton to many others that are failed forgotten or still under way represented evolving national values as Catholics made themselves at home Cummings s vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged *Wider Family Matters* Clare Roskill,2007 Communicating in the Anthropocene C. emanating from the individual And yet as the coronavirus pandemic has made clear humans are unavoidably interconnected not only with other humans but with nonhuman and more than human others with whom we share space and time Why do so many of us humans avoid deny or resist a view of the world where our lives are made possible maybe even made richer through connection In this volume we suggest a view of communication as intimacy We use this concept as a provocation for thinking about how we humans are in an always already state of being in relation with other humans nonhumans and the land
