**From the Foreword by Grant Wiggins** We now know we can get increased participation with online tools to make thinking more visible and switch the traditional delivery of instruction to personalize learning. While it is inevitable that online learning will become an important skill for everyone, the ideas, concepts, strategies, design elements, and tools in the book by Thormann and Zimmerman can also be applied to blended learning.

**Alan November, Senior Partner and Founder, November Learning** The authors of this book have created an excellent resource for anyone interested in becoming an online instructor or improving his or her skills in online teaching. The authors share a wealth of step by step activities, examples of assignments and teaching strategies that will guide both novice and experienced teachers as they expand their skills into the online realm. Even as a veteran online instructor, the book provided me with new ideas to try in my next online class.

**Sam Gladstein, Coordinator Edmonds eLearning Program at Edmonds School District, WA** Cheers to Thormann and Zimmerman for providing a must read for online teaching. This clear and practical guide takes the instructor from design to implementation of online courses. The authors remove the anxiety about online teaching for those thinking about on screen instruction and provide new thinking and examples for those already immersed in it. It is a great guide for those entering the field and a superb resource for those actively engaged in it.
