The Quixotic Teacher

Gary Chattman, 2012-05 With my stars to guide me with the fear of God inside me I took off for the uncharted wilds of the wild country called the Bronx inhabited by the underprivileged unwelcomed and uncivilized at least that is what I thought with fine knowledge that I as a new teacher would triumph Many in the past had failed But I would not fail No Larry

Rothstein didn't want to be a teacher but when it became a valid way to escape the draft he made it his mission to be enrolled. Unwilling to join the army because of the Vietnam War he learned that teachers were able to get a deferment and he was excited to start on his new quest. Once Larry was hired he realized that becoming a teacher was what he was meant to be. Larry dedicated his life to making a difference in the life of his students. Field trips, drama groups and making learning fun were the focus of his life for over thirty years. But despite his dedication the school administration tried to bring him down one notch at a time. Student deaths, students skipping classes and the callous attitudes of some of the administrators who could not see his vision became everyday battles but Larry was determined to conquer his windmills. Finally an illness brought on by the school's new construction threatened to knock Larry off his Dulcinea for good. Following the life of one man through the 70s, 80s and 90s, *The Quixotic Teacher* is a quest for an exemplary teacher in the public school system.
