it's succeeding. Fearing for their lives, thousands of men and women working in offices across the city refuse to leave their homes. Commerce has slowed to a trickle. Emergency calls to the top floors of apartment towers go unanswered. Who is behind this? Why are they doing it? Are these deadly acts of sabotage somehow connected to a nameless body found on the High Line? Two seasoned New York detectives and a straight-shooting journalist race against time to uncover the truth before the city's newest and tallest residential tower has its ribbon cutting on Friday night. With each diabolical twist, Linwood Barclay ratchets up the tension, building to a shattering finale. **Elevator Pitch** is a riveting tale of psychological suspense that is all too plausible and will chill you to the bone.

Indefensible Pamela Callow, 2011-01-01. When Elise Vanderzell plummets from her bedroom balcony one gorgeous summer night, her children awaken to a nightmare. Their mother is dead. Their father is charged with her murder. Lawyer Kate Lange knows all about nightmares. She's survived the darkest period of her troubled life, and the wounds are still raw. Now she's been handed a case that seems utterly unwinnable: defending her boss, high-profile lawyer Randall Barrett. A prosecutor's dream suspect, Randall is a man who was cuckolded by his ex-wife. A man who could not control his temper. A man who had argued bitterly with the victim the previous day in full view of the children. With limited criminal law experience, Kate finds herself enmeshed in a family fractured by doubt. Randall's teenage son is intent on killing him. His daughter wants only to feel safe again. And the entire legal community would like nothing better than to see Randall receive a public comeuppance. As Kate races to stay a step ahead of the prosecution, a silent predator is waiting for the perfect time to deal the final blow.
