The Holy Qur'an with English Translation and Commentary ,1963 **Exploring the Qur'an** Muhammad Abdel Haleem,2017-04-21 The teachings style and impact of the Qur an have always been matters of controversy among both Muslims and non Muslims But in a modern context of intercultural sensitivity what the Qur an says and means are perhaps more urgent questions than ever before This major new book by one of the world s finest Islamic scholars responds to that urgency Building on his earlier groundbreaking work the author challenges misinterpretations of particular Qur anic verses from whatever quarter He addresses the infamous sword verse frequently cited as a justification for jihad He also questions the tribute verse associated with the Muslim state subjugating Jews and Christians and the idea of Paradise in the Qur an often viewed by the West as emphasising merely physical pleasures or used by Islamic fighters as their just reward for holy war The author argues that wrenching the verses out of the context of the whole has led to dangerous ideologies being built on isolated phrases which have then assumed afterlives of their own This nuanced holistic reading has vital interfaith ramifications The Publishers' Circular and General Record of British and Foreign Literature ,1868 The Qur'an: English translation with parallel Arabic text ,2010-04-08 The Qur an believed by Muslims to be the word of God was revealed to the Prophet Muhammad 1400 years ago Recognized as the greatest literary masterpiece in Arabic the sacred text has nevertheless remained difficult to understand in its English translations First published in 2004 M A S Abdel Haleem s translation has been acclaimed for its success in avoiding archaism and cryptic language to produce a version that is both faithful to the original and easy to read Now for the first time it is published with the original Arabic text to give a greater appreciation and understanding of the holy book The traditional Arabic calligraphic pages are displayed alongside the English translation which has been revised for this new edition This fine binding edition features leather binding gold page edges a ribbon marker and a slip case A useful general
