Do Not Disturb Michela Wrong, 2021-03-30 A powerful investigation into a grisly political murder and the authoritarian regime behind it *Do Not Disturb* upends the narrative that Rwanda sold the world after one of the deadliest genocides of the twentieth century We think we know the story of Africa's Great Lakes region Following the Rwandan genocide an idealistic group of young rebels overthrew the brutal regime in Kigali ushering in an era of peace and stability that made Rwanda the donor darling of the West winning comparisons with Switzerland and Singapore But the truth was considerably more sinister Vividly sourcing her story with direct testimony from key participants Wrong uses the story of the murder of Patrick Karegeya once Rwanda's head of external intelligence and a quicksilver operator of supple charm to paint the portrait of a modern African dictatorship created in the chilling likeness of Paul Kagame the president who sanctioned his former friend's assassination

Do Not Disturb Helen McCloy, 2014-03-14 The sign read *Do Not Disturb* and at first Edith Talbot ignored the pitiful whimpering that came through the door The hotel clerk assured her that the room was occupied by a sick boy under the care of a physician Later in the night when the cries resumed she felt something must be done and she made the fatal mistake of knocking on the door From then on things begin to happen strange things that at first seem like coincidence but crescendo into a series of hair raising events Continuous action and extra good writing *Saturday Review of Literature*
