

RESIDENCY LETTER OF RECOMMENDATION SAMPLE

To the Admissions Board of Bonnyville Hospital:

It is a great honor to submit this letter of recommendation to support Dr. Walter Jones in his application for a Residency Program in Geriatrics. I have had the pleasure of working with and mentoring Dr. Jones throughout his time in medical school, and have gotten to know him both professionally as well as personally. He is truly an exceptionally bright student, and his genuine care for patient health has shone through all of his activities in medical school. I believe that he is a top-tier candidate for your residency program, and that he will continue to succeed in the medical field.

My first interactions with Dr. Jones were in the small group sessions at the beginning of his first year of medical school. I noticed immediately that he was extremely well prepared, having reviewed the source material as well as having done his own research. His talent in coursework also extended to his time on rotations, where all of the attending physicians reported him to be very dexterous, logical, and extremely well prepared for each case. I believe that these are all traits of an excellent physician, and I hope that he will be able to continue his studies in the Geriatrics field.

Dr. Jones has expressed his interest in Geriatrics since he first entered medical school. Although his test scores enable him to apply to any number of fields, Dr. Jones maintained that there is a need for Geriatric Physicians in the community, and he wishes to help the area through his expertise. I believe that his caring nature and excellent bedside manner will be a great match for the nurturing environment at your hospital, and I highly recommend Dr. Jones for this Residency in Geriatrics without any reservations.

Sincerely,
Dr. Jamil Johnson, MD
Professor of Medicine

hundreds of years and is unlikely to change Despite this limitation on women s education through Jewish history exceptional women achieved a high scholarship to the acclaim of their entire community including men In fact one woman a singular exception became a Chassidic Rebbe amidst fierce opposition A modern exception to such a study curriculum is Chabad Because it has a messianic outreach program the Chabad couple who establish a Chabad House in diverse cities and countries and are often the only ones running the program the woman must have the training to lead and know the deeper aspects of Judaism This book is not only about women s education but it represents the larger dynamics in how the ultra orthodox Jewish world bifurcates the reality of its members so that any intrusion from that external world remains in place An example of such limitation is the ultra orthodox public denunciations against the use of the internet use of computers as against the smartphone unless these devices are programmed so that surfing is not possible The future of these communities on a trajectory of high fertility ensures their future growth As they populate the United States and other countries replenishing the numbers lost in the Holocaust their exposure to and awareness of the world at large will remain extremely limited
