

The Basketball Player

By: Justin

During the championship,
Near the bench,
Outside the three point line,
On the court,
Between the defenders,
Over the block,
Through the defense,
By the basket,
At the backboard,
Off the rim,
Into the net,
Shot the sweaty basketball player.

The Children's Literature Selection Handbook, K-8 Christie Kaaland, 2025-09-18 Offering future school librarians teachers and working librarians an alternative to lengthier textbooks on children s literature this engaging book introduces readers to the most important genres and current conversations in the field while leaving them time to read children s literature directly As school librarian and teacher certification programs become more abridged students require succinct textbooks that still provide a valuable introduction to the field Working librarians need reference books that allow them to make good selections for their collections Students and professionals will appreciate The Children s Literature Selection Handbook K 8 because it offers a needed overview of the field while allowing for plenty of time to read children s literature

Author Christie Kaaland's conversational tone speaks directly to readers and the book offers students a pathway to engage with literature directly and effectively scaffold their learning. Beginning with an introduction to standard literary fiction genres including a discussion of literature trends and children's reading interests and needs, the chapters turn to the most important genres: fiction, biography, folk literature, picture books, informational texts, poetry, and graphic novels. A focus on book series, a deep discussion of graphic novels, the inclusion of global literature, and review sources for selection and information on publishers and the publishing industry set this timely book apart from others in the field. Reader voices add perspective and charm. This compact and engaging book is the perfect companion to the vast wealth of children's literature that future teachers and school librarians will read during their professional preparation and share with children and youth as working librarians.

Sports Poems Mary Colson, 2014-01-01 Examines sports poems showing readers how to find the meaning in a poem and discussing the techniques the poets used to create them.

Sport Poems Mary Colson, 2014-03-13 This book invites the reader to jump into a selection of poems about sports written by people from different places and times. It gives the reader the keys needed to unlock poems. It equips the reader to explore the meanings that a poem has and it explains the techniques poets use to create their effects.

Critical games Tim Beasley-Murray, 2025-06-17 Critical Games is about the games we play whether we know it or not, the ways we play them for fun but also to win and to gain approval from others and what happens when they get out of hand. The book interrogates the theory of play and gaming with a particular focus on the games played by literary authors and literary critics. Drawing on often self-critical autobiography as well as readings in texts across a range of languages, Tim Beasley-Murray plays with academic conventions to highlight what is at stake in them, turning to the Game of Literature from Kafka to Carr to seek models and warnings of the outcomes of taking games too seriously or not taking them seriously enough.

A Family of Readers Martha V. Parravano, Roger Sutton, 2012-10-09 Two of the most trusted reviewers in the field join with top authors, illustrators, and critics in a definitive guide to choosing books for children and nurturing their love of reading. A FAMILY OF READERS is the definitive resource for parents interested in enriching the reading lives of their children. It's divided into four sections: 1. Reading to Them: Choosing and sharing board books and picture books with babies and very young children. 2. Reading with Them: Launching the new reader with easy readers and chapter books. 3. Reading on Their Own: Exploring what children read and how they read by genre and gender. 4. Leaving Them Alone: Respecting the reading privacy of the young adult. Roger Sutton knows how and why children read. He must, as the editor in chief of THE HORN BOOK, which since 1924 has been America's best source for reviews of books for young readers. But for many parents, selecting books for their children can make them feel lost. Now, in this essential resource, Roger Sutton and Martha V. Parravano, executive editor at the magazine, offer thoughtful essays that consider how books are read to and then by young people. They invite such leading authors and artists as Maurice Sendak, Katherine Paterson, Margaret Mahy, and Jon Scieszka, as well as a selection of top critics, to add their voices about the genres.
