Rhodes Scholars, Oxford, and the Creation of an American Elite Thomas J. Schaeper, Kathleen Schaeper, 2010-02 Each year thirty two seniors at American universities are awarded Rhodes Scholarships which entitle them to spend two or three years studying at the University of Oxford The program founded by the British colonialist and entrepreneur Cecil Rhodes and established in 1903 has become the world s most famous academic scholarship and has brought thousands of young Americans to study in England Many of these later became national leaders in government law education literature and other fields Among them were the politicians J William Fulbright Bill Bradley and Bill Clinton the public policy analysts Robert Reich and George Stephanopoulos the writer Robert Penn Warren the entertainer Kris Kristofferson and the Supreme Court Justices Byron White and David Souter Based on extensive research in published and unpublished documents and on hundreds of interviews this book traces the history of the program and the stories of many individuals In addition it addresses a host of questions such as how important was the Oxford experience for the individual scholars To what extent has the program created an old boy girl since 1976 network that propels its members to success How many Rhodes Scholars have cracked under the strain and failed to live up to expectations How have the Americans coped with life in Oxford and what have they thought of Britain in general Beyond the history of the program and the individuals involved this book also offers a valuable examination of the American British cultural encounter **Clark's Boston Blue Book** ,1917 The American Baptist Year-book ,1891 *San Francisco Blue Book; the Fashionable Private Address Directory, San Francisco-Oakland-Berkeley-Alameda* ,1918 *Marquis Who's Who Index to Who's Who Books* ,1993 **San Francisco Blue Book and Club Directory, the Social Reference Book** ,1904 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Leonard,1986-03-20 Many books have shown that journalists have political power but none have offered a more wide ranging account of how they got it The Power of the Press is a pioneering look at the birth of political journalism Before

the American Revolution Thomas Leonard notes the press in the colonies was a timid enterprise poorly protected by law and shy of government Newspapers helped make the Revolution but they were not fully aware of the way they could fit into a democracy It was only in the nineteenth century that journalists learned to tell the stories and supply the pictures that made politics a national preoccupation Leonard traces the rise of political reporting through some fascinating corridors of American history the exposes of the Revolutionary era the unfeeling accuracy of Congressional reporting the role of the New York Times and Harper s Weekly in attacking New York City s infamous Tweed Ring and the emergence of muckraking at the beginning of our century The increasing power of the press in the political arena has been a double edged sword Leonard argues He shows that while political reporting nurtured the broad interest in politics that made democracy possible this journalism became a threat to political participation ... *The World Almanac and Book of Facts* ,1902 Lists news events population figures and miscellaneous data of an historic economic scientific and social nature *The Jubilee Year Book of the New-York Observer* Anonymous,2023-09-27 Reprint of the original first published in 1873 **Illustrated Catalogue of Books, Standard and Holiday** McClurg, Firm, Booksellers, Chicago,1906 *The Complete Book of 1950s Broadway Musicals* Dan Dietz,2014-07-02 The Broadway musical came of age in the 1950s a period in which some of the greatest productions made their debuts Shows produced on Broadway during this decade include such classics as Damn Yankees Fiorello Guys and Dolls The King and I Kismet The Most Happy Fella My Fair Lady The Pajama Game Peter Pan The Sound of Music and West Side Story Among the performers who made their marks were Julie Andrews Bob Fosse Carol Lawrence and Gwen Verdon while other talents who contributed to shows include Leonard Bernstein Oscar Hammerstein II Alan Jay Lerner Frederick Loewe Cole Porter Jerome Robbins Richard Rodgers and Stephen Sondheim In *The Complete Book of 1950s Broadway Musicals* Dan Dietz examines in detail every musical and revue which opened on Broadway during the 1950s In addition to providing details on every hit and flop that debuted during the decade this book includes revivals and one man and one woman shows Each entry contains the following information Opening and closing datesPlot summaryCast membersNumber of performancesNames of all important personnel including writers composers directors choreographers producers and musical directorsMusical numbers and the names of performers who introduced the songsProduction data including information about tryoutsSource materialCritical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendices such as a discography film and television versions published scripts Gilbert and Sullivan operettas and lists of productions by the New York City Center Light Opera Company and the New York City Opera Company A treasure trove of information *The Complete Book of 1950s Broadway Musicals* provides readers with a complete view of each show This significant resource will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history *The United States Institute of Peace Journal* ,1993-06 *The Leatherneck* ,1952 *The Insurance Year Book...* ,1905 **Wills and**
