The Case for Sarah Bill Howard,2014-04 Rick Wade Investigations the Case for Sarah is the second book in the Rick Wade mystery series Sarah is a High School senior a straight A student Her father is a Minister and her mother has passed away She falls in with an unsavory element and finds herself in a terrifying situation with dire consequences seemingly inevitable for her Rick Wade and his associates in their efforts to locate Sarah uncover a tangled web of drugs homicide and treachery *Sarah from Alaska* Scott Conroy,Shushannah Walshe,2009-11-03 A year after a vice presidential campaign that remains as consequential as it was controversial Sarah Palin is still the most dynamic yet polarizing Republican in America Now Scott Conroy and Shushannah Walshe draw on their experiences as embedded reporters on Palin s campaign exclusive on scene coverage of Palin s post election struggles in Alaska and revealing interviews with former McCain Palin staffers top political minds and Palin s family friends and foes in Alaska to tell the remarkable behind the scenes story of her improbable rise and its complicated aftermath The result is a fair and fascinating portrait of Sarah Palin and of the American political process Sarah from Alaska illuminates both the talents that helped make Palin a superstar and the traits that became liabilities under the intense pressures of a divisive national campaign It reveals in riveting detail how Palin s vice presidential campaign became as dysfunctional as it was secretive explores the circumstances behind her triumphs and baffling missteps and provides new context for understanding her values her political successes in Alaska and her abrupt resignation from the governorship It s easy to turn Sarah Palin into a caricature of either a heroic everywoman or ridiculous dolt the authors say but the truth is that she is more complex than either her most passionate defenders or harshest critics give her credit for Palin remains ambitious and enormously popular among social conservatives and her future will be intrinsically interwoven with that of the Republican Party as it struggles to redefine itself and recapture the necessary margin for national political victory in the next decade That makes Sarah from Alaska essential reading for anyone interested in American politics

Encyclopedia of Television Miniseries, 1936-2020 Vincent Terrace,2021-10-11 In 1936 as television networks CBS DuMont and NBC experimented with new ways to provide entertainment NBC deviated from the traditional method of single experimental programs to broadcast the first multi part program Love Nest over a three episode arc This would come to be known as a miniseries Although the term was not coined until 1954 several other such miniseries were broadcast including Jack and the Beanstalk and Women in Wartime In the mid 1960s the concept was developed into a genre that still exists While the major broadcast networks pioneered the idea it quickly became popular with cable and streaming services This encyclopedic source contains a detailed history of 878 TV miniseries broadcast from 1936 to 2020 complete with casts networks credits episode count and detailed plot information Jason Wade Thriller Trilogy Rick Mofina,2025-01-26 COMPLETE DIGITAL SET OF THE INTERNATIONALLY ACCLAIMED JASON WADE TRILOGY includes 1 The Dying Hour 2 Every Fear 3 A Perfect Grave Meet Jason Wade a rookie crime reporter with The Seattle Mirror a loner who grew up in the

shadow of a brewery in one of the city's blue collar neighborhoods

BOOK 1 THE DYING HOUR After its publication the International Thriller Writers ITW selected *The Dying Hour* as a Finalist for a 2006 Thriller Award in the category of Best Paperback Original. The book introduces Jason Wade who is working at *The Seattle Mirror* in a competition for the single full time job being offered through the paper's intense intern program. But unlike the program's other young reporters who attended big name schools and worked at big metro dailies, Wade put himself through community college and lacked the same experience. Wade struggles with his troubled past as he pursues the story of Karen Harding, a college student whose car was found abandoned on a lonely stretch of highway in the Pacific Northwest. How could this beloved young woman with the altruistic nature simply vanish? Wade battles mounting odds and cut throat competition to unearth the truth behind Karen Harding's disturbing case. Her disappearance is a story he cannot give up, never realizing the toll it could exact from him. *The Dying Hour* is a bone chilling, mesmerizing page turner that introduces readers to an all too human young hero who journeys into the darkest regions of the human heart to confront a nightmare.

BOOK 2 EVERY FEAR On an ordinary morning, Maria Colson takes her baby son Dylan to the corner store. She turns her back for only a few seconds. When she looks again, she sees his empty stroller as Dylan is being abducted into a waiting van. Maria climbs into the van but is violently thrown to the road where she is left for dead as the vehicle vanishes without a trace. As Maria fights for her life and her anguished young husband keeps a bedside vigil, the FBI and police across metro Sea-Tac and Washington State search for Dylan. *Seattle Mirror* reporter Jason Wade is under pressure to bring in a big story and the Colson kidnapping could be it. It's a bizarre case with pieces that just don't add up. The Colsons are a hard working couple. Former high school sweethearts. No problems. No enemies. Then Jason and his dad, a private detective haunted by his former life as a cop, discover a grisly murder of a young woman that is somehow connected to the Colsons. Now in a dark Seattle underground of desperate dreamers and ex convicts, Jason embarks on an investigation that parallels one led by Homicide Detective Grace Garner. They're both hunting for the one piece of the puzzle that connects the baby's disappearance with a spine tingling case of revenge. And time is running out because whoever took little Dylan Colson is more dangerous than anyone could ever imagine. *Every Fear* takes suspense to a whole new level in a heart pounding story that moves like a true crime case torn from today's headlines.

BOOK 3 A PERFECT GRAVE Rookie crime reporter Jason Wade, a loner from the wrong side of the tracks, pursues the story of a murdered Seattle nun. The case leads him to a hermit nun who founded a mysterious religious order and ultimately to the dark secret that has tormented his ex-cop father for decades. It culminates in a life and death struggle against the clock. With time running out, Jason and his father battle the odds to confront a terrible truth.

For many fans and casual observers, professional sports and violence are deeply connected. Violence on the field has real consequences for players, notably in the form of life altering injuries from concussions. Off the field, in the last several decades, scores of athletes have committed violent acts from domestic abuse and sexual assault to

animal abuse and murder Beyond athletes sport also serves as a site of political and structural violence from the displacement and hyperpolicing of everyday people for mega events to the sportswashing of environmentally harmful industries Daniel Sailofsky examines the endemic violence in professional sports and argues that while related to masculinity misogyny and individual factors like alcohol consumption and gambling it is most intimately tied to capitalism and to capitalist modes of consumption and profit Sailofsky explains how capitalism creates the conditions for violence to thrive and uncovers how sports leaders coaches league officials and team owners obfuscate these relationships to avoid accountability From minor league baseball exploitation to spectator hooliganism Sailofsky shows the connections between the business of sports and violence but also more importantly he imagines new forms of sport that are not places of harm **You've Been Played** Adrian Hon,2022-09-20 How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In You ve Been Played game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties You ve Been Played is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy **The Strange Case of Donald J. Trump** Dan P. McAdams,2020-02-17 The Strange Case of Donald J Trump provides a coherent and nuanced psychological portrait of Donald Trump drawing upon biographical events in the subject s life and contemporary scientific research and theory in personality developmental and social psychology Dan P McAdams renowned psychologist who pioneered the study of lives examines the central personality traits personal values and motives and the interpersonal and cultural factors that together have shaped Trump s psychological makeup with an emphasis on the strangeness of the case that is how Trump again and again defies psychological expectations regarding what it means to be a human being The book s central thesis is that Donald Trump is the episodic man The chapters structured as stand alone essays each riffing on a single psychological theme build on each other to present a portrait of a person who compulsively lives in the moment without an internal story to integrate his life in time With an emphasis on scientific personality research rather than political rhetoric McAdams shows that Trump s utter lack of an inner life story is truly exceptional This book is a remarkable case study which should be of as much interest to psychologists as it is to readers trying to reckon with the often confounding behavior and temperament of the 45th President of the United States Addressing Adversity Marc Bush, Lord Victor Adebawale, Rebecca Adlington, Matilda Allen, Mario Alvarez-Jimenez, Agnes Aynsley, Andy Bell, Dr Sarah Bendall, Lucy Bowes, Rick Bradley, Sarah Brennan, Lindsay
