Rock My Heart (Luminescent Juliet # 4) Jean Haus, 2015-06-12 Raised in poverty and violence Gabe Reed wears a could care less attitude like a shield He expects life to suck It always has and he is usually the one to screw it up even more Drumming for the college band Luminescent Juliet started as a way to release the built up rage inside of him But when the band signs with a label Gabe begins to envision a different life He just needs to stay out of trouble and follow the court orders of his probation April Tanner knows most people view her as perfect From her icy looks to her college four point she cultivates the persona since it helps keep people at a distance Because behind her perfection April constantly struggles with a past that she is trying to atone for but can't face Though Gabe and April seem worlds apart fate throws them together and forces them to see beyond the fronts they each present But even an emerging friendship mixed with a growing lust might not be able to overcome the walls built of guilt and insecurity and abuse that stand between them New Adult for language and sexual situations
