My Daddy's Naughty Girl: A Novel of Erotic Subjugation Imelda Stark,2022-01-07 So I want you to know how it is for me The thought of you finding it arousing to hear my kind of story makes me wet between my legs You're drawn to a story about a woman liking to have her panties pulled down and her bare bottom spanked by a man who enjoys doing such things to naughty girls like me Now I'm no child even if I sound that way Being the way I am does require regressing in age around

certain kinds of sexual situations But in fact I m a grown woman in her thirties with responsible job In fact I pride myself on having a reputation as something of a ball buster at work which is rather ironic For the story I feel compelled to tell you the one that makes my pussy wet is about what happens when I come home at night to my special Daddy About how he is with me and how he wants me to be with him and how we found each other and learned to make each other so happy

Courting the Abyss John Durham Peters,2010-02-15 Courting the Abyss updates the philosophy of free expression for a world that is very different from the one in which it originated The notion that a free society should allow Klansmen neo Nazis sundry extremists and pornographers to spread their doctrines as freely as everyone else has come increasingly under fire At the same time in the wake of 9 11 the Right and the Left continue to wage war over the utility of an absolute vision of free speech in a time of increased national security Courting the Abyss revisits the tangled history of free speech finding resolutions to these debates hidden at the very roots of the liberal tradition A mesmerizing account of the role of public communication in the Anglo American world Courting the Abyss shows that liberty s earliest advocates recognized its fraternal relationship with wickedness and evil While we understand freedom of expression to mean anything goes John Durham Peters asks why its advocates so often celebrate a sojourn in hell and the overcoming of suffering He directs us to such well known sources as the prose and poetry of John Milton and the political and philosophical theory of John Locke Adam Smith John Stuart Mill and Oliver Wendell Holmes Jr as well as lesser known sources such as the theology of Paul of Tarsus In various ways they all he shows envisioned an attitude of self mastery or self transcendence as a response to the inevitable dangers of free speech a troubled legacy that continues to inform ruling norms about knowledge ethical responsibility and democracy today A world of gigabytes undiminished religious passion and relentless scientific discovery calls for a fresh account of liberty that recognizes its risk and its splendor Instead of celebrating noxious doctrine as proof of society s robustness Courting the Abyss invites us to rethink public communication today by looking more deeply into the unfathomable mystery of liberty and evil
