- To research an argumentative thesis through scholarly conversations with those who have written on the subject.

It simply means that someone has provided a close analysis of the work. It is not a negative account of the writer or his work. You will need to read and incorporate the critics' views to support your thesis. Sources must be noted according to classroom guidelines, typed, double-spaced on a separate Works Cited page. Be certain to document each of your sources, including excerpts from the text.

Specific Requirements

2. Decide on and argue a thesis statement.
3. Read a minimum of three scholarly articles and/or literary criticisms by others regarding the work and author.
4. Read an alternative piece written by the author (can be an essay, an interview, etc.) that will help you analyze the work further.
5. Write an essay of approximately 500 to 750 words follow acceptable classroom documentation guidelines.
6. Typed, double-spaced, using a legible 12 pt font.
