AP English Language

- 2) **Context:** In this case, context is referring to word choice. You are creating a summary of the opponent's point of view. Items to include in this area:
 - Summarize the opponent's side by choosing words, phrases, and sentences that show your understanding of the opponent's point of view.
 - Show your opponent you respect their viewpoint, by using neutral and accurate word choices.
 - "Many people would agree that a key element to gun ownership is dependent upon being a responsible owner."
 - Invite your opponent to consider several sides of this issue.
 - "There is a movement to make guns less accessible to mentally ill persons. However, that is a vague term and needs setting clear definitions to the term mentally ill. Meanwhile, other groups of people want to completely eliminate semi-automatic gun ownership and unlimited amounts of ammunition."
- 3) **Writer's Position:** You are stating your point of view of the argument. You are establishing a common ground, which you already shared with your opponent. Some things to keep in mind as you write this:
 - Show maturity by considering views you find threatening or deeply disagree with.
 - Show how your own views have grown from listening to your opponent's views.
 - Try to show your understanding of the opponent's views by expanding upon them to apply them to new examples or other situations.
 - "It is necessary to keep firearms out of the hands of the mentally ill in order to avoid devastating school shootings as we have seen in recent years. There needs to be a limit on the type and number of guns and how much ammunition an owner can have."
- 4) **Benefits to Opponent:** You are trying to get your opponent to see how your side of the issue would be beneficial to them. You can think of this as a type of negotiation.
 - Respectfully encourage your opponent to listen to your views to understand them as thoroughly as you understood their viewpoint.
 - List possible solutions that will benefit as many people as possible.
 - "Having thorough background checks would keep guns only in the hands of a responsible individual. Limiting how many guns and ammunition amounts, as well as the types of firearms used, would decrease mass shooting deaths."
- 5) **Conclusion:** Wrap up your thesis (main idea) and restate in different words (not repeat) your shared issue. Other things to consider including in this section are:
 - Remind your opponent how your viewpoint has changed because of their viewpoint.
 - Offer your willingness to keep an open channel of communication going forward.
 - Express an interest in further problem solving on the shared issue.
 - Gun ownership is possible for responsible adults with a clean background check. "Guns for self-protection and hunting are fine for responsible people to own. However, allowing unlimited guns and ammunition, as well as semi-automatic weapons, in the home is asking for an increase in unnecessary deaths. Despite these opinions, please consider this an open invitation to continue discussing this particular issue further."
