A Biblical Study Guide for Equal Pulpits Young P Lee Hertig,2022-03-24

The transformation of patriarchal church culture begins with gender equality in the pulpit For too long the Christian pulpit has been monopolized by men This pattern is especially pronounced in evangelical Asian American and Latinx congregations where women s voices are marginalized and male dominance is reinforced in the church as well as the family The consequences are enormous oRobbing the church of the fullness of the gospel oSilencing the voices of women preachers oMasculinizing Christianity oLosing younger generations of women leaders oModeling structural power inequality oIncreasing violence against women Making academic hermeneutical work accessible for the pulpit A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts Among the perspectives investigated Kay Higuera Smith s Two Mothers Two Promises takes a perspective shifting look at Sarah and Hagar Eunny P Lee s Valorous and Wise Women Who Build Up the House of God depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang s Listening for Your Voice Let Me Hear It The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice

sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement

Galatians Bruce G. Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians Dr Bruce Epperly author of *Philippians A Participatory Study Guide* *Finding God in Suffering* *A Journey with Job* and *Transforming Acts* Acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience Epperly founds his work in the results on modern critical scholarship but he is not content with reciting scholarship or discussing history He aims to make the study of this theologically central letter a transformative experience

He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things. He finds a message of liberation in this book. Liberation from our guilt yes but also liberation from our self-imposed limitations. Through reading, discussion exercises and thought questions he leads the reader through a study that can only be described as an adventure. It's an adventure you won't want to miss. **SCM**

Philippians: An Introduction and Study Guide Joseph A. Marchal, 2017-02-09 Relatively brief and seemingly unassuming Philippians is frequently underestimated by its readers and users. This guide shows that what lies within this letter is much more complicated and dynamic than many expect. After surveying the major historical problems and the methods scholars use to arrive at competing solutions, Marchal focuses on the letter's famous hymn of Christ, a rare glimpse into a tradition created by the community in Philippi even earlier than Paul's letter. Given its impact and potential, the hymn deserves sustained attention, including its connections to slavery and other modes of social power. Turning to the letter as a whole, Marchal asks how this letter fits with types of argumentation in Greco-Roman culture, moving then into a detailed sketch of the rhetorical patterns in the letter, from unity and sameness to hierarchy and modeling. Feminist and empire critical approaches are presented alongside more traditional assumptions and ideas throughout, signaling how choices in approach and starting points have historically affected the scholarly visions and communal uses for Philippians. In the final chapter, the letter is put to a series of atypical uses as the insights of queer theories are brought into surprising interaction with the arguments in the letter. Tarrying over unmentionable ideas and provocative moments that readers typically race past, this chapter takes the reader from the hierarchical heights of a cosmic Christ to the depths of excrement being emptied from the same body, from the arguments of waste to revealing asides about human waste and feminine lack. The performative power and possibilities of Paul's letters has never been stranger nor more subversive of the too often destructive and dehumanizing uses of biblical images, ideas and arguments.
