21 May 2017

Thank you very much President Hutchinson. I am overwhelmed with pride and am very thankful for this wonderful recognition. As I have become more and more dedicated to Chico State over the last 12 years, I never dreamed something like this honor would be given to me. Becoming a community volunteer to this wonderful university has been one of the highlights of my life. Even though this happened after I retired from my profession, it has kept me engaged in significant work that has the goal of helping to improve University Public Education in this state, right here in Chico, California. So many articles give advice to people like me going into retirement: move to a small town with a university, get involved in something meaningful, and do your best in using your experience and contacts to give something back. That's what I set out to do.

In the late 1990's, I realized, as did many of my colleagues, the need to attract young men and women into management positions in the Heavy Construction Materials business, particularly in the Concrete Industry, which was my career for almost 40 years. This large industry, rated the 6<sup>th</sup> largest growth industry in the US, includes Portland Cement, Aggregates, Equipment, Chemicals, Control

**Practitioners** Harry A. Sultz,1976 **Birth of a King** Peter Jenka,2009-11-23 In a world far different from ours a 3000 year long peaceful era ends when a fratricide son betrays his own blood and wrecks havoc in the land The Imperial army is falling apart after the assassination of King Tiber Bauron The armies of vicious beasts conquer most of the land in less than a month The Imperial army is forced to relocate into the outskirts of the once great nation Other nations of the Egician Empire are in danger but fail to unite with the Royal Force the remainder of the Imperial Army In his desperation Prince Artos Bauron seeks the answer to his prayers He hears of an heir long lost to another world But will he find him in time before the enemy destroys him and with him their last hope for a free Egis once again More importantly will the heir succeed where others have failed Or is the prophecy false *The Two Widows and the Death Butterflies* Tarsicio Álvarez,2016-12-09 When I was writing this story I gave myself the assignment to ask 50 people whether or not they believed that black butterflies were messengers of death Out of those 50 39 responded yes and some affirmed having had personal experiences with black butterflies Some would say that few minutes after having seen them they had received news that a family member or

somebody they knew had passed away Others assured that it was the spirit of a family member that had come to visit them Only 11 said that they did not believe and had never heard anything regarding that Since ancient times many cultures have had that belief that black butterflies are messengers of death However there are also some countries where they believe they bring good luck What do you believe Are black butterflies messengers of death or not Or are you one of the people who believe that when they see one it announces good fortune Surely if a black butterfly has ever entered your home and shortly after you received news that close one had passed away you probably believe it But if more than once they ve entered in your home and nobody has ever passed away then you probably don t believe in it In this story strange things happened to two women who widowed and they were convinced that black butterflies were behind everything that happened to them One of them almost ends up killed by stones thrown by a whole town the other after becoming a widow decided to mourn for her whole life until she died In the end one of them survived being buried by a bunch of stones The other one changed her mind and decided to take off her mourning dress and both ended up getting married again If you want to know what they went through how is it that in the end they changed their minds and got married again I invite you to read this exciting story full of mystery suspense and action and why not a bit of humor as well
