

The European Championship 2000, Charleroi

The European Championship 2000 in Belgium hosted the infamous riot in Charleroi between mainly English and German hooligans. However, I found an article from the *Guardian* giving a different recollection of the case. The author of the article claimed that the violence was more or less a product of media and police attention. “*In Brussels, the Belgian police and the TV crews got what they wanted. Violence. Only the telly had the pictures of the Belgian police firing tear gas into pubs and arresting everyone inside, they had their story.*”³⁴ The article continues saying that most people got arrested for practically just having a beer. “*The real story of the*
