Obamacare Implementation United States. Congress. House. Committee on Oversight and Government Reform, 2014

Not All In Tiffany D. Joseph, 2015-03-11 Examines how health policy shifts fail to fully serve immigrant communities due to structural racism and anti immigrant rhetoric and enforcement measures Despite progressive policy strides in health care reform immigrant communities continue to experience stark disparities across the United States In Not All In Tiffany D Joseph exposes the insidious contradiction of Massachusetts advanced health care system and the exclusionary experiences of its immigrant communities Joseph illustrates how patients race ethnicity and legal status determine their access to health coverage and care services revealing a disturbing paradox where policy advances and individual experiences drastically diverge Examining Boston's Brazilian Dominican and Salvadoran communities this book provides an exhaustive analysis spanning nearly a decade to highlight the profound impacts of the Affordable Care Act and subsequent policy shifts on these marginalized groups Not All In is a critical examination of the systemic barriers that perpetuate health care disparities Joseph challenges readers to confront the uncomfortable truths about racialized legal status and its profound implications on health care access This essential book illuminates the complexities of policy implementation and advocates for more inclusive reforms that genuinely cater to all Urging policymakers health care providers and activists to rethink strategies that bridge the gap between legislation and life this book reminds us that in the realm of health care being progressive is not synonymous with inclusivity

Obamacare: Complete Law, Latest Statistics & Republican's Counterproposal White House, United States Congress, 2017-03-20 This e book contains the complete text of The Patient Protection and Affordable Care Act which is formatted for your eReader with a functional and detailed table of contents The edition also includes the latest data on health coverage and health care expenses as well as the Republicans counter arguments and their proposed bill Patient Protection and Affordable Care Act or Obamacare is a United States federal statute which at the same time represents the complete reform of the American health care system conducted by the former president Barack Obama The main goal of this act was to drive better health outcomes lower costs and improve accessibility to health services The whole system was designed to increase health insurance quality and affordability lower the uninsured rate by expanding insurance coverage and reduce the costs of healthcare In March 2017 the Republican Party which opposed Obamacare released its plan to replace it

Losing Power Sekou M. Franklin,Ray Block Jr.,2020-01-15 Tennessee has made tremendous strides in race relations since the end of de jure segregation African Americans are routinely elected and appointed to state and local offices the black vote has tremendous sway in statewide elections and legally explicit forms of racial segregation have been outlawed Yet the idea of transforming Tennessee into a

racially equitable state a notion that was central to the black freedom movement during the antebellum and Jim Crow periods remains elusive for many African Americans in Tennessee especially those living in the most underresourced and economically distressed communities Losing Power investigates the complex relationship between racial polarization black political influence and multiracial coalitions in Tennessee in the first decade of the twenty first century Sekou M Franklin and Ray Block examine the divide in values preferences and voting behaviors between blacks and whites contending that this racial divide is both one of the causes and one of the consequences of black Tennesseans recent loss of political power Tennessee has historically been considered more politically moderate and less racially conservative than the states of the Deep South Yet in recent years and particularly since the mid 2000s Republicans have cemented their influence in the state While Franklin and Block s analysis and methodology focus on state elections political institutions and public policy Franklin and Block have also developed a conceptual framework for racial politics that goes beyond voting patterns to include elite level discourse issue framing intrastate geographical divisions social movements and pressure from interest groups

Politics of the Administrative Process Donald F. Kettl, 2020-01-14 Kettl's *Politics of the Administrative Process* continues to resonate well with students of public administration because it discusses key concepts and theories in a straightforward cogent and contemporary manner that both faculty and students appreciate Brian Bulla Appalachian State University Efficient public administration requires a delicate balance the bureaucracy must be powerful enough to be effective but also accountable to elected officials and citizens Donald F Kettl understands that the push and pull of political forces in a democracy make the functions of bureaucracy contentious but no less crucial *Politics of the Administrative Process* gives students a realistic relevant and well researched view of the field while remaining reader friendly with engaging vignettes and rich examples With a unique focus on policymaking and politics the Eighth Edition continues its strong emphasis on politics accountability and performance

Way Down in the Hole Angela J. Hattery, Earl Smith, 2022-10-14 Based on ethnographic observations and interviews with prisoners correctional officers and civilian staff conducted in solitary confinement units *Way Down in the Hole* explores the myriad ways in which daily intimate interactions between those locked up twenty four hours a day and the correctional officers charged with their care custody and control produce and reproduce hegemonic racial ideologies Smith and Hattery explore the outcome of building prisons in rural economically depressed communities staffing them with white people who live in and around these communities filling them with Black and brown bodies from urban areas and then designing the structure of solitary confinement units such that the most private intimate daily bodily functions take place in very public ways Under these conditions it shouldn't be surprising but is rarely considered that such daily interactions produce and reproduce white racial resentment among many correctional officers and fuel the racialized tensions that prisoners often describe as the worst forms of dehumanization *Way Down in the Hole* concludes with recommendations for reducing the use of solitary confinement reforming its use in a limited context and most importantly creating an environment in which prisoners and staff co exist in ways that recognize their individual humanity and reduce rather than reproduce racial antagonisms and racial resentment *Way Down the Hole* Video 1 <https://youtu.be/UuAB63fhge0> *Way Down the Hole* Video 2 <https://youtu.be/TwEuw1cTrcQ> *Way Down the Hole* Video 3 https://youtu.be/bOcBv_UnHIs *Way Down the Hole* Video 4 https://youtu.be/cx_1lS8D77c
