Guns in American Society Jaclyn Schildkraut, Gregg Lee Carter, 2022-12-01 The revised third edition of the landmark Guns in American Society provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States Guns in American Society An Encyclopedia of History Politics Culture and the Law is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective *"Guns Don't Kill People, People Kill People"* Dennis A. Henigan, 2016-07-26 A must read for every American who longs to bring sanity to our nation's gun laws this book debunks the lethal logic behind the myths that have framed the gun control debate Ariana Huffington Huffington Post The gun lobby's remarkable success in using engaging slogans to frame the gun control debate has allowed it to block lifesaving gun legislation for decades But is there any truth to this bumper sticker logic Dennis Henigan exposes the mythology and misguided thinking at the core of these pro gun catchphrases which continue to have an outsized influence on public attitudes toward guns and gun control Pro Gun Myths Include When guns are outlawed only outlaws will have guns An armed society is a polite society The only thing that stops a bad guy with a gun is a good guy with a gun Gun control doesn't work because criminals don't follow the law Gun manufacturers shouldn't be responsible for gun crime any more than Budweiser is responsible for drunk driving We don't need new gun laws We just need to enforce the ones we have Gun control is a slippery slope to complete gun bans Henigan counters the gun lobby's messages by weaving together the most compelling current research and insights drawn from the grim reality of deadly gunfire in our homes and communities Henigan charts a new path toward ending the American nightmare of gun violence **Standing Our Ground** Lucy McBath, 2020-11-17 From the national spokesperson for Everytown for Gun Safety and a mother who turned her sorrow into a strategy and her mourning into a movement Hillary Clinton comes the riveting memoir of a mother's loss and call to action for common sense gun laws Lucia Kay McBath knew deep down that a bullet could one day take her son After all she had watched the news of countless unarmed black men unjustly gunned down *Standing Our Ground* is McBath's moving memoir of raising loving and losing her son to gun violence and the story of how she transformed her pain into activism After seventeen year old Jordan Davis was shot by a man who thought the music playing on his car stereo was too loud the nation

grieved yet again for the unnecessary loss of life Here McBath goes beyond the timeline and the assailant s defense Stand Your Ground to present an emotional account of her fervent fight for justice and her awakening to a cause that will drive the rest of her days But more than McBath s story or that of her son Standing Our Ground keenly observes the social and political evolution of America s gun culture A must read for anyone concerned with gun safety in America it is a powerful and heartfelt call to action for common sense gun legislation

**Inside the NRA** Joshua L. Powell,2020-09-08 A shocking exposé of rampant decades long incompetence at the National Rifle Association as told by a former member of its senior leadership Joshua L Powell is the NRA a lifelong gun advocate in 2016 he began his new role as a senior strategist and chief of staff to NRA CEO Wayne LaPierre What Powell uncovered was horrifying the waste and dysfunction at the NRA was staggering INSIDE THE NRA reveals for the first time the rise and fall of the most powerful political organization in America how the NRA became feared as the Death Star of Washington lobbies and so militant and extreme as to create and fuel the toxicity of the gun debate until it became outright explosive INSIDE THE NRA explains this intentional toxic messaging was wholly the product of LaPierre s leadership and the extremist branding by his longtime PR puppet master Angus McQueen In damning detail Powell exposes the NRA s plan to pour gasoline on the fire in the fight against gun control to sow discord to fill its coffers and to secure the presidency for Donald J Trump

**Voting in America** Morgan E. Felchner,2008-06-30 The three volumes of Voting in America offer the most comprehensive authoritative and useful account of all aspects of voting in America ever assembled This set surveys the legal foundations historical development and geographic diversity of voting practices at all levels of government in the United States It marshals the demographics of voter participation and party affiliation in the 21st century by age occupation location region class race and religion and parses the roles of interest groups hot button issues and the media in mobilizing voters and shaping their decisions Finally the set anatomizes the critical voting debacles in the 2000 and 2004 elections and assesses the proposed remedies including online voting and electronic voting machines The host of chapters penned for this magisterial set by an unprecedented assemblage of academics practitioners and pundits includes such lively topics as the Electoral College prisoner disenfranchisement obstacles and options for American voters abroad the rise of ballot initiatives the elusive youth vote the battle for the swing vote local issues trends Wisconsin voter fraud waiting in line in Ohio the provisional ballots mess and partisanship in voting companies

**Stand Your Ground** Caroline Light,2017-02-14 A history of America s Stand Your Ground gun laws from Reconstruction to Trayvon Martin After a young white gunman killed twenty six people at Sandy Hook Elementary School in Newtown Connecticut in December 2012 conservative legislators lamented that the tragedy could have been avoided if the schoolteachers had been armed and the classrooms equipped with guns Similar claims were repeated in the aftermath of other recent shootings after nine were killed in a church in Charleston South Carolina and in the aftermath of the massacre in the Pulse nightclub in Orlando Florida Despite inevitable questions about gun control there is a sharp increase in firearm sales in the wake of every

mass shooting Yet this kind of DIY security activism predates the contemporary gun rights movement and even the stand your ground self defense laws adopted in thirty three states or the thirteen million civilians currently licensed to carry concealed firearms As scholar Caroline Light proves support for good guys with guns relies on the entrenched belief that certain bad guys with guns threaten us all Stand Your Ground explores the development of the American right to self defense and reveals how the original duty to retreat from threat was transformed into a selective right to kill In her rigorous genealogy Light traces white America s attachment to racialized lethal self defense by unearthing its complex legal and social histories from the original castle laws of the 1600s which gave white men the right to protect their homes to the brutal lynching of criminal Black bodies during the Jim Crow era and the radicalization of the NRA as it transitioned from a sporting organization to one of our country s most powerful lobbying forces In this convincing treatise on the United States unprecedented ascension as the world s foremost stand your ground nation Light exposes a history hidden in plain sight showing how violent self defense has been legalized for the most privileged and used as a weapon against the most vulnerable

**American Contempt for Liberty** Walter E. Williams, 2015-05-01 Throughout history personal liberty free markets and peaceable voluntary exchanges have been roundly denounced by tyrants and often greeted with suspicion by the general public Unfortunately Americans have increasingly accepted the tyrannical ideas of reduced private property rights and reduced rights to profits and have become enamored with restrictions on personal liberty and control by government In this latest collection of essays selected from his syndicated newspaper columns Walter E Williams takes on a range of controversial issues surrounding race education the environment the Constitution health care foreign policy and more Skewering the self righteous and self important forces throughout society he makes the case for what he calls the the moral superiority of personal liberty and its main ingredient limited government With his usual straightforward insights and honesty Williams reveals the loss of liberty in nearly every important aspect of our lives the massive decline in our values and the moral tragedy that has befallen Americans today our belief that it is acceptable for the government to forcibly use one American to serve the purposes of another

*Guns in America* The Washington Post, 2013-02-18 In the aftermath of the Sandy Hook Elementary tragedy The Washington Post investigates America s complicated relationship with guns Wayne LaPierre the leader of the National Rifle Association calls gun control the fight of the century For more than a year The Washington Post examined the long bloody history of gun control in America an investigation that was reopened and expanded after the massacre of first graders in Newtown Connecticut With new reporting on the state of gun reform in the aftermath of Newtown including how the families are recovering and the dangers represented by new technologies such as 3D printing this updated eBook shines a light on the hidden life of guns in the United States From the power of the NRA and its war over the Second Amendment to US guns fueling the drug war along the Mexican border the prize winning journalists of the Washington Post reveal the politics and the passions behind the continuing gun control debate

Brown, 2019-03-22 We are about taking action and rattling the cages of the liberals and not sitting on our hands and complaining There are solutions to our many problems and we are looking for others who are ready to make a difference for a better country for all Americans The liberals will be exposed and made irrelevant as we promote the benefits of being a real conservative One of our goals is to earn 20 percent of the Black vote in the 2020 election all across America This gets done with our tools and excellent strategy that is hard hitting We will be on billboards delivering the truth and facts all across America We also have as our goal to get the majority of the Hispanic vote by 2020 We will bring millions of voters to the Republican Party with our persuasion and common sense solutions This is not the typical campaign that is run by both parties but a 365 day a year plan that exposes teaches and motivates Americans to be the best they can be in their everyday life Check out my book that introduces Conservative Wisdom United and see what we have planned for America You are about to make a small investment that will keep our country strong for our future generations It is imperative for us to get the ball rolling in the right direction and to get involved before it is too late

**Enough** Gabrielle Giffords, Mark Kelly, 2014-09-30 Former Congresswoman Gabrielle Giffords and her husband astronaut Mark Kelly share their impassioned argument for responsible gun ownership After the 2011 Tucson shooting that nearly took her life basic questions consumed Gabby Giffords and her family Would Gabby survive the bullet through her brain Would she walk again Speak Her hard won recovery though far from complete has now allowed her and Mark to ask larger questions that confront us as a nation How can we address our nation's epidemic of gun violence How can we protect gun rights for law abiding citizens while keeping firearms out of the hands of criminals and the mentally ill What can we do about gun trafficking and other threats to our communities Enough goes behind the scenes of Gabby and Mark's creation of Americans for Responsible Solutions an organization dedicated to promoting responsible gun ownership and encouraging lawmakers to find solutions to gun violence despite their widespread fear of the gun lobby As gun owners and strong supporters of the Second Amendment Gabby and Mark offer a bold but sensible path forward preserving the right to own guns for collection recreation and protection while taking common sense actions to prevent the next Tucson Aurora or Newtown Poll after poll shows that most Americans agree with Gabby and Mark's reasonable proposals As the book follows Gabby and Mark from the halls of Congress to communities across the country it provides an intimate window into the

recovery of one of our nation's most inspiring public figures and reveals how she and her husband have taken on the role of co-advocates for one of the defining issues of our time **Keeping the Republic** Christine Barbour, Gerald C.

Wright, 2018-11-23 **Keeping the Republic** gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction, and balance from bias and influence the message through informed citizenship. **Keeping the Republic** draws students into the study of American politics, showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics and to be savvy consumers of political information. The thoroughly updated Ninth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power, the ability to create and share their own narratives while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up to date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, **Keeping the Republic Ninth Edition** is a much-needed resource to help students make sense of politics in America today. **Keeping the Republic The Essentials** is identical to the full version of the text minus the three policy chapters. Also available as a digital option, courseware. Contact your rep to learn more about **Keeping the Republic Ninth Edition Vantage Digital Option** **The Minds of Mass Killers** P. Shavaun Scott, 2021-11-12

Public mass killings are becoming more common. Though the chances of being harmed or killed in a mass shooting are slim, each incident affects the public's sense of safety. There are many myths and falsehoods concerning mass murderers. As a result, the public lacks reliable knowledge about the reasons behind such killings, preventing the development of comprehensive strategies to mitigate the violence. Written by a mental health therapist with thirty years of clinical experience in violence prevention, this book clarifies the realities of mass killings. Using research from forensic psychology, it provides a foundation for understanding the pathway to violence identified in the personal histories of many mass murderers. Drawing from criminology, neuroscience, and developmental and social psychology, the author makes the case that we are all capable of creating a safer society. **Is Bipartisanship Dead?** Ross K. Baker, 2015-12-03 **Is Bipartisanship Dead?** is a status report on the condition of bipartisanship in the U.S. Senate and includes material from candid on-the-record interviews with a dozen Democrats and Republicans. The book explores the distinct differences in bipartisanship in Senate committees and on the floor of the chamber and highlights the role of party leaders in promoting or discouraging bipartisan efforts. The book also

asks the important question Is bipartisanship necessarily a good thing and provides examples of flawed bipartisan legislation along with the views of critics of bipartisanship Finally the book delivers a dispassionate analysis of the vital signs of bipartisanship in the U S Senate and examines the constraints on bipartisan action in an era of polarized politics

**Governing States and Localities** Kevin B. Smith, Alan Greenblatt, 2021-10-05 From the implications of Donald Trump s presidency on intergovernmental relations to the COVID 19 pandemic s impact on state federal relations the Eighth Edition of Governing States and Localities introduces students to the most recent challenges developments and political changes impacting state and local politics

**Democracy and Leadership** Eric Thomas Weber, 2013-11-25 Democracy and Leadership On Pragmatism and Virtue presents a theory of leadership drawing on insights from Plato s Republic while abandoning his authoritarianism in favor of John Dewey s democratic thought The book continues the democratic turn for the study of leadership beyond the incorporation of democratic values into old fashioned views about leading The completed democratic turn leaves behind the traditional focus on a class of special people Instead leadership is understood as a process of judicious yet courageous guidance infused with democratic values and open to all people The book proceeds in three parts beginning with definitions and an understanding of the nature of leadership in general and of democratic leadership in particular Then Part II examines four challenges for a democratic theory of leadership Finally in Part III the theory of democratic leadership is put to the test of addressing problems of poverty educational frustration and racial divides particularly aggravated in Mississippi
