Woven Meredith Miller,2023-08-22 In this inspiring parenting book learn how to create space for your children to get to know God in a way that focuses on trust instead of a list of rigid rules Most Christian parenting books are ready with exact practices every family should follow in order to raise obedient children In this obedience training model faith is a wall constructed brick by brick as adults tell children what to believe and how to behave But what if obedience is not the goal of Christian parenting What if it's our job as parents to instead help our kids get to know God and discover that God can be trusted And what if faith is not constructed brick by brick but rather woven strand by strand Much like a spider's web in which anchor strands and internal threads combine to form a unique web Woven can help children anchor to who God is and have faith practices that are rich textured and all their own Kids need space to explore the Bible ask big questions and even change their understanding of God and faith along the way With Woven families can nurture the kind of faith that can flex and grow be broken and repaired This is the sort of faith that can stand up to the life a child will live the doubts they will encounter and the questions that will come up along the way So many parents want to pass along their faith but know that God is so much bigger than the list of do's and don'ts they were taught about as children They want to pass along a faith their child doesn't have to heal from Woven is the guidebook parents have been looking for With a deep reverence for scripture and suggested activities to help your family grow in faith together Woven is for parents who want to go beyond a list of do's and don'ts and pass along a resilient faith based on genuine love for and trust in God
