Usha's Pickle Digest Usha R Prabakaran, 1998-10-26 *Usha's Pickle Digest* is not a fancy coffee table book on pickling. It demolishes the myth that pickling is difficult, cumbersome, and time consuming. In simple and straightforward language, Usha presents 1000 mouth-watering pickle delicacies on a variety of vegetables and fruits guaranteed to make even the connoisseur marvel. The author demonstrates that the fascinating world of Indian pickling is rich in variety and sophistication and is in a class of its own. This book of 1000 usual and unusual pickle recipes covers the whole gamut of the Indian pickling repertoire. The recipes have been adapted to suit various palates without sacrificing authenticity. *The Beer Cheese Book* Garin Pirnia, 2017-10-27 The ingredients are simple: beer, cheese, and spices, and the result is delicious. Still, beer cheese is a rarefied dish not common in cookbooks or on menus. Since the 1940s, this creamy appetizer with a kick, traditionally served with pretzels, has quietly found its way into pubs and restaurants throughout the South and Midwest. The original recipe is cloaked in a mystery nearly as deep as the JFK assassination. Ask most makers, and they'll act demure about the contents of their dip. Some refuse to disclose what kind of beer or cheese they use or which extra spices they add. Others keep their preparation instructions secret. Garin Pirnia traces the history of beer cheese from its beginnings at the Driftwood Inn in Winchester, Kentucky, to today, situating it alongside other dishes such as the German cheese spread *obatzda*, *queso* dip, and pimento cheese. She surveys the restaurants that serve this distinctive dip, highlights points of interest along the Beer Cheese Trail, and includes dozens of recipes from the classic original to new twists like Pawpaw Beer Cheese to dishes that incorporate the spread such as Crab Broccoli Beer Cheese Casserole and Beer Cheese Buttermilk Biscuits. Packed full of interviews with restaurateurs who serve it, artisans who process it, and even home cooks who enter their special and secret recipes in contests, *The Beer Cheese Book* will entertain and educate all while making your mouth water. Fortunately, it will also teach you how to whip up your own batch. *Gourmet Wine Cooking the Easy Way* Wine Advisory Board, 2010-11-01 Concentrating on mouthwateringly simple everyday dishes made better with wine, this book includes 500 recipes from soups and salads to hearty meals and desserts. Wine and food pairings, indications for making the perfect wine cocktail, and tips and techniques for entertaining are also included. *300 Low-Carb Slow Cooker Recipes* Dana Carpender, 2011-10 *Cooking Cafe Flora Cookbook* Catherine Geier, 2005 The acclaimed chef of the popular Seattle eatery presents more than 250 tasty and original vegetarian and vegan recipes for appetizers, main courses, side dishes, salads, condiments, and more, along with detailed preparation instructions and tips, serving and presentation suggestions, possible substitutions, and other culinary advice. *The Great Vegan Grains Book* Celine Steen, Tamasin Noyes, 2015-11-15 Enjoy over 100 whole grain vegan recipes for every meal and occasion. Whole grains are a great source of protein and other nutrients that are typically found in meat and eggs, making them a valuable part of any plant-based diet. While naturally vegan by nature, grains are often paired with non-vegan ingredients, making many recipes off-limits to vegans. That's where *The Great Vegan Grains Book* comes to the rescue.
