Sister Petra would be delighted at her rare find. Mary added the herb to her overflowing basket of pungent

greenery then rose to gaze around the little gem of a glade that she'd stumbled upon God's own hand must have touched this isolated spot in the forest to have gifted it with so many useful herbs I've never seen such a divine bounty in one spot she said smiling to herself in satisfaction Nor have I a male voice agreed With a startled squawk Mary spun around her basket of carefully harvested plants flying Where did you come from she exclaimed eyeing the half naked water nymph rising from the small pool at the center of the glade Of course he couldn't really be a water nymph that is Everyone knows that nymphs don't exist But half naked Oh yes that he definitely was And gorgeous enough to easily pass for a creature of myth and legend His chiseled features the very epitome of rugged masculine beauty were framed in golden hair that flowed like a sun touched waterfall down his back His torso all well defined muscle was blanketed in warm honey toned skin Mary's mouth watered at the very sight of all that male magnificence on display I've been here all along he replied his hands idly stirring the water lapping at his waist Doubtless you were too engrossed with your plants to notice me Mary gasped My herbs She gazed at her painstakingly gleaned harvest now scattered across the ground and loosed a vexed sigh Oh look what you made me do The corner of his mouth lifted in amusement My apologies I shall of course assist you in gathering them up Matching deed to word he moved toward the edge of the pool intent on exiting Stop Mary thrust her right hand out while shielding her eyes with her left Peering through a sizable gap in her fingers she demanded Where are your swim trunks As the pool grew shallower the head of the man's penis had breached the water like an eager periscope making it all too clear that he was in fact completely naked He looked down at his bobbing member his smile widening I seem to have misplaced them Fascinated by what she could see of his delectable body Mary reluctantly said I shall turn my back while you get dressed Very thoughtful of you he murmured and began to move again Mary whirled around and bent to retrieve her basket more tempted to sneak a peek than she'd care to admit As a foundling raised in Thistlemere Abbey by Sister Petra Mary had had little exposure to handsome young men especially not of the naked variety She was admittedly curious What's your name she asked resisting temptation with admirable fortitude Connor he replied from right behind her And you are Mary turned Naked Her eyes widened in consternation You're naked Where are your trousers she blurted Flashing a rogue's grin he leaned toward her and whispered conspiratorially I seem to have misplaced them as well

The Land of Mutants: An Erotic Fairytale (Fantasy Erotica / Adult Fairy Tales)

Victoria Rush, 2023-09-24

When it comes to sex organs, there's no such thing as having too many. When Clover and her friends come upon a secluded settlement in the forest, at first they don't know what to make of the unusual inhabitants. With strangely colored skin and oddly shaped bodies, they seem more like aliens from another planet than another tribe in the fantasy land of Abbynthia. But as they get closer, their eyes widen when they notice that these strange and exotic people have multiple reproductive organs and can mate with themselves. With three phalluses and an abundance of orifices with which to copulate, there is no shortage of scenarios for each member to entertain themselves among their tribe. When Clover asks if they have some food to share with her friends, the tribe welcomes the trio into their camp, whereupon the three travelers soon discover the advantages of their titillating morphology.
