Redemption Lane Crossroads 1:

Redemption Road Brendan McManus, SJ, 2016-04-11 Sometimes the best cure for a wounded soul is a really long walk One June morning Fr Brendan McManus stepped out for a much needed walk to be exact a 500 mile hike on Spain's renowned Camino de Santiago A few years earlier his brother had committed suicide and the tragedy left Brendan physically psychologically and spiritually wounded Something radical was required to rekindle his passion for life and renew his faith in God Redemption Road is the story of a broken man putting one foot in front of the other as he attempts to let go of the anger guilt and sorrow that have been weighing him down But the road to healing is fraught with peril steep hills and intense heat wrong turns and blistered feet Worse still a nagging leg injury could thwart Brendan's ultimate goal of reaching the Camino's end and honoring his brother in a symbolic act at the Cathedral of Santiago de Compostela Constantly tempted to quit his quest Brendan relies on the principles of Ignatian spirituality to guide him on his journey from desolation to consolation For anyone going through the process of grieving Redemption Road offers real hope not that the path to peace will be easy but that Christ who himself suffered and died will be with us every step of the way and lead us at last to wholeness and healing

Angels at the Crossroads Ann H. Gabhart, 2011-01-26 The chase was over In April 1969 nineteen year old Jerry Shepherd stares in his rearview mirror at the two policemen approaching his car He wants to run make his escape perhaps his final escape from life Then he curls his fingers around the small Bible in his back pocket as the words Peace be still whisper through his head He holds to those words as he steps from the car to handcuffed and arrested Angels at the Crossroads is the compelling true story of Shepherd's amazing journey from wrongdoing to redemption Convicted of a crime he can hardly believe he could have committed Shepherd faces life in prison and fears not only that he won't survive behind bars but also that he has stepped beyond the hope of prayer or forgiveness His parents say no as they cover him with fervent prayers but Shepherd must find his own way through the jungle of prison life to the people earth angels who can help him discover God's love knows no limit On this pilgrimage to self acceptance Shepherd learns to forgive the past and completely and unconditionally love again If you face a crossroads in your life Shepherd's inspirational journey may help lead you down a new pathway to a life filled with compassion and love Visit author Ann H Gabhart online at www.annhgabhart.com **His**

Media Crossroads Paula J. Massood, Angel Daniel Matos, Pamela Robertson Wojcik, 2021-02-08. The contributors to *Media Crossroads* examine space and place in media as they intersect with sexuality, race, ethnicity, age, class, and ability. Considering a wide range of film, television, video games, and other media, the authors show how spaces from the large and fantastical to the intimate and virtual are shaped by the social interactions and intersections staged within them. The highly teachable essays include analyses of media representations of urban life and gentrification, the ways video games allow users to adopt an experiential understanding of space, the intersection of the regulation of bodies and spaces, and how style and aesthetics can influence intersectional thinking. Whether interrogating the construction of Portland as a white utopia in *Portlandia* or the link between queerness and the spatial design and gaming mechanics in the *Legend of Zelda* video game series, the contributors deepen understanding of screen cultures in ways that redefine conversations around space studies in film and media. Beyond Redemption Carole Emberton, 2024-05-31. In the months after the end of the Civil War, there was one word on everyone's lips: redemption. From the fiery language of Radical Republicans calling for a reconstruction of the former Confederacy to the petitions of those individuals who had worked the land as slaves to the white supremacists who would bring an end to Reconstruction in the late 1870s, this crucial concept informed the ways in which many people, both black and white, northerner and southerner, imagined the transformation of the American South. *Beyond Redemption* explores how the violence of a protracted civil war shaped the meaning of freedom and citizenship in the new South. Here, Carole Emberton traces the competing meanings that redemption held for Americans as they tried to come to terms with the war and the changing social landscape. While some imagined redemption from the brutality of slavery and war, others like the infamous Ku Klux Klan sought political and racial redemption for their losses through violence. *Beyond Redemption* merges
