## **Redemption Manual The Cold Hard Facts:**

**Last Chance Mustang** Mitchell Bornstein, 2024-05-01 A veteran horse trainer recounts how he socialized an abused and psychologically damaged wild horse while examining the history of wild horses in America Last Chance Mustang is the story of Samson a formerly free roaming still wild at heart American mustang that was plucked from his mountainous Nevada home and thrown into the domestic horse world where he was brutalized and victimized After years of abuse Samson had evolved into a hateful and hated maladjusted beast until the day he found his way to a rural Illinois farm an ill equipped owner and one last chance Mitch Bornstein's task was to tame the violent beast whose best defense had become offense He had twenty years of experience fixing unfixable horses but Samson would be his greatest challenge Through the pair's many struggles and countless battles Samson would teach Mitch about the true power of hope friendship redemption and the inspiring mettle of the forever wild and free American mustang Part history lesson part training manual and part animal narrative Samson's is a story that all readers will be able to relate to a story of survival of trust and ultimately finding love

**A Course in Miracles OE - Complete** William Thetford; Helen Schucman, 2023-12-26      **Bop Apocalypse** Martin Torgoff, 2025-05-01 The gripping story of the rise of early drug culture in America from the author of the acclaimed Can't Find My Way Home With an intricate storyline that unites engaging characters and themes and reads like a novel Bop Apocalypse details the rise of early drug culture in America by weaving together the disparate elements that formed this new and revolutionary segment of the American social fabric Drawing upon his rich decades of writing experience master storyteller Martin Torgoff connects the birth of jazz in New Orleans the first drug laws Louis Armstrong Mezz Mezzrow Harry Anslinger and the Federal Bureau of Narcotics swing Lester Young Billie Holiday the Savoy Ballroom Reefer Madness Charlie Parker the birth of bebop the rise of the Beat Generation and the coming of heroin to Harlem Aficionados of jazz the Beats counterculture and drug history will all find much to enjoy here with a cast of characters that includes vivid and memorable depictions of Billie Holiday Miles Davis John Coltrane Jackie McLean Allen Ginsberg William S. Burroughs Jack Kerouac Herbert Huncke Terry Southern and countless others Bop Apocalypse is also a living history that teaches us much about the conflicts and questions surrounding drugs today casting many contemporary issues in a new light by connecting them back to the events of this transformative era At a time when marijuana legalization is rapidly becoming a reality it takes us back to the advent of marijuana prohibition when the templates of modern drug law policy and culture were first established along with the concomitant racial stereotypes As a new opioid epidemic sweeps through white working and middle class communities it brings us back to when heroin first arrived on the streets of Harlem in the 1940s And as we debate and grapple with the gross racial disparities of mass incarceration it puts into sharp and provocative focus the racism at the very roots of our drug war Having spent a lifetime at the nexus of drugs and music Torgoff reveals material never before disclosed and offers new insights crafting and contextualizing Bop Apocalypse into a truly novel contribution to our understanding of
