The History of Redemption Richard Samuel Collins, 2017-01-23 If I were to ask you about the history of redemption you would most likely begin by thinking back to the cross and what was accomplished there by Christ. From there you would then move forward. However in God's mind or from His perspective it began before the foundation of the world. Ephesians 1:4 says even as he chose us in him before the foundation of the world that we should be holy and blameless before him in love. Before Genesis 1 God had the plan of redemption already formulated. This means that God planned this in eternity past. Before in the beginning God existed and planned our redemption. So when God was all that there was the history of redemption began. That may be hard for us to fathom because we cannot think in terms of eternity. Unlike God we are constrained by time. The fact remains that God planned our redemption through His Son Jesus Christ before the world was even created. It was not a second option it was the original plan from the start. We may not understand it all but we can gain glimpses of it throughout the revealed Word of God which is itself a story of redemption that spans from creation to re-creation i.e. Genesis 1:2 to Revelation 21:22. Some of you may already be jumping ahead of me and asking Why would God create the world if He knew that one day He would have to redeem it? Could He not foresee what would go wrong and prevent that from happening so that creation would remain good and not need to be redeemed? Those questions are very important. In our study of the history of redemption these questions will only be dealt with briefly and they will have to wait until later. There is no need to get ahead of ourselves just yet. But to satisfy the question for the time being I will give you the main reason which will be the only reason addressed in this particular study that God chose to create a world that He knew would fall into sin and need to be redeemed from it. It is for His glory and I hope as we progress in our study that you will see how that statement is definitely true. The study of the history of redemption has interested me for a long time now I have preached on the subject as an overview and taught on it in detail. But I wanted more I wanted to go even more in depth on this subject and that is what I

intend to do here Before we begin I want to explain what we will be doing We are not going to cover every aspect of redemption in Scripture because that would cover the whole Bible For instance the Book of Hosea is full of rich illustrations of redemption but we will not cover it in this study So this is not an all inclusive look at redemption it is a study of the highlights It would take a volume much larger than this probably multiple volumes to truly give the history of redemption the study it deserves We will start with the creation account Since God s plan came to fruition before the foundation of the world then it makes sense that we start at the creation event in our study of the history of redemption We will end with Christ who is the completion of God s plan for redemption I hope you enjoy this study and I pray that God uses it to draw you closer to Him

The Ascent Through Christ Ebenezer Griffith-Jones,1899 **Recovering Redemption** Matt Chandler,Michael Snetzer,2014-05-01 You can t God can Life never lacks for improvement in ourselves in our relationships in just about everything But all our brave stabs at getting better if they ever change anything are incomplete at best complete failures at worst Sometimes much worse Unless The gospel of Jesus Christ is the great unless of life both for those who already believe but can t believe the messes they re still capable of making as well as those who don t yet believe but just know their way isn t working Recovering Redemption written with a pastor s bold intensity and a counselor s discerning insight takes you deeply into Scripture to take you deeply inside yourself discovering that the heart of all our problems is truly the problem of our hearts But because of what God has done and because of what God can do the most confident contented person you know could actually be you redeemed through Jesus Christ None of us really can do what s required to change our lives for the better taking what s persistently frustrating and making it perfectly satisfying Yet as hopeless as that may sound it is the flat line truth in which good news comes to life to your life For just as what s lost can be found what s wrong can even now be recovered

The Redemption Stephen T. Davis,Daniel Kendall SJ,Gerald O'Collins SJ,2004-10-21 This interdisciplinary study follows an international and ecumenical meeting of twenty one scholars held in New York at Easter 2003 the Redemption Summit After an opening chapter which explores seven central questions for writers on redemption five chapters are dedicated to the scriptural roots of the doctrine A section on the patristic and medieval periods then examines the interpretation of redemption through the centuries The volume moves on to foundational and systematic issues the problem of horrendous evil karma and grace and differing views on justification Studies on the redemption in literature art music and preaching form the final part There is a fruitful dialogue between experts in a wide range of areas and the international reputation of the participants reflects and guarantees the high quality of this joint work The result is a well researched skilfully argued and at times provocative volume on the central Christian belief the redemption of human beings through Jesus Christ

Redemption Accomplished and Applied John Murray,2015-06-18 Originally published in 1955 and reprinted dozens of times over the years John Murray s Redemption Accomplished and Applied systematically explains the two sides of redemption its accomplishment through Christ s atonement and its application to the lives of believers In this theological

classic Murray first explores the necessity nature perfection and extent of the atonement He then goes on to expound the biblical teaching about calling regeneration faith and repentance justification adoption sanctification perseverance union with Christ and glorification

A New People in Christ Wendel Sun, 2018-07-13 What is union with Christ What role does this theme play in the Epistle to the Romans Does union with Christ have an Old Testament background or did Paul create the concept for his own theological purposes These questions will be answered in this exegetical study of Romans Special attention is given to Paul s use of Old Testament stories in relation to union with Christ It will be shown that Paul understands union with Christ to be the climax of the human story a story of creation and rebellion that includes all people regardless of ethnic or social background Those who believe in Jesus as the promised Messiah experience restoration as they move from union with Adam into union with Christ United to Christ the church finds unity in a new identity as a new people in Christ
