The Image They See Paul R. Becker, 2018-09-07. In my vision and through brief stories, I want to inspire readers to dig into their souls and search for the true meaning of diversity. No matter how we best describe what diversity means to us in our lifetime, we have already experienced the true meaning. My expectation after reading the book is to make everyone understand how important it is to live together without hate, accept those who are different, and welcome into our lives anyone who chooses to express themselves openly. Our world is changing day by day, and it is our responsibility to take hold and change how we live. No matter of race, color, or sexual orientation, we all deserve to be accepted.
