

European Renaissance Reformation And Exploration

The age of the European Renaissance, Reformation, and Exploration are significant because they lead to the creation and spread of ideas which further advanced people's knowledge and understanding of the world. In the slideshow, it stated that a Renaissance man was someone who excelled in more than one thing. For example, Leonardo was a painter, sculptor, inventor, and he studied anatomy. His creations and techniques later spread across the world, advancing art and science. The Renaissance caused people to ask questions. This inspired the beginning of the Reformation. The World History textbook said that the Church believed that the Earth was the center of the universe for 1,400 years. Copernicus and Galileo stated that the sun is actually the
