Corporate Sustainability and Responsibility in Tourism Dagmar Lund-Durlacher, Valentina Dinica, Dirk Reiser, Matthias S. Fifka, 2019-05-03 This book offers essential insights into how the world's second largest industry, tourism, is responding to challenges involved in expanding the corporate social responsibility (CSR) concept to corporate sustainability and responsibility, referred to as CSR 2.0. It analyzes the typical setup of tourism with various types of commercial agents: corporations, small and medium-sized enterprises, public-private partnerships, social enterprises, and local cooperatives. In addition, the book examines a broad range of voluntary initiatives, the effectiveness of these efforts, and how contextual and wider policy features shape these relationships. The book is divided into three parts, the first of which elaborates on strategic drivers and rationales for CSR. In turn, the second part introduces readers to design approaches for CSR programs and envisaged impacts, while part three focuses on implementation, certification, reporting, and possible outcomes. Each part offers a mixture of theoretical perspectives, synthesis, analyses, and case studies. The respective chapters tackle a broad spectrum of

tourism sub sectors e g the cruise industry aviation gastronomy nature based tourism and urban destinations

Management Education for Integrity Charles Wankel, Agata Stachowicz-Stanusch, 2011-09-02 Explains how curricula should be streamlined and rejuvenated to ensure a high level of integrity in management education providing numerous examples of new tools teaching methods integrity sensitization and development exercises and ethical management education assessment approaches Corporate Responsibility and Stakeholding David Crowther, Shahla Seifi, 2016-10-28 Although much consideration has been given to the relationship between a corporation and its stakeholders less attention has been given as to who those stakeholders might consist of In this book we take the widest definition of stakeholders and consider aspect of the corporation s responsibility to this community **Corporate Social Responsibility** Beatrice Orlando, 2022-03-16 This Edited Volume Corporate Social Responsibility is a collection of reviewed and relevant research chapters offering a comprehensive overview of recent developments in corporate behavior The book comprises single chapters authored by various researchers and edited by an expert in the field All chapters are complete in themselves but united under a common research study topic This publication aims at providing a thorough overview of the latest research efforts by international authors and opening new possible research paths for further novel developments **Essays from a Marketing PhD** Sheena Lovia Boateng, 2014-03-12 Essays from a Marketing PhD is a compilation of essays on a variety of topics in the broad areas of Marketing Theory Philosophy of Science International Marketing and Marketing Perspectives of Corporate Social Responsibility These essays are a product of reading and synthesising multiple peer reviewed articles in the first year of the PhD Marketing qualification at the University of Ghana Business School This book represents the depth of exposure and understanding gained through reading as well as attending seminars and workshops in preparation for writing the actual PhD thesis It is a must read for any PhD student who wishes to have a feel of what the first year of course work for a PhD in Marketing entails as well as how the end product is most likely to look It s a celebration of a great first year in the PhD programme and of many more successful years to come **Global Finance in the 21st Century** Steve Kourabas, 2021-09-28 Global Finance in the 21st Century Stability and Sustainability in a Fragmenting World explains finance and its regulation after the global financial crisis The book introduces non finance scholars into the wider debate regarding the conduct and regulation of finance to encourage broader discussion on important societal issues that relate to finance The book also explores the ineffectiveness of the current approach to global prudential governance and places this discussion within the more expansive context of global governance and nationalism in the twenty first century The book argues that fragmentation and the growing trend of promoting informality and voluntarism has facilitated a return to nationalism as a primary form of global governance that acts contrary to post crisis reforms that seek to promote stability and sustainability in the conduct of finance As a remedy Kourabas suggests that we need more not less of what we have traditionally conceived as international law treaties and treaty based international organisations In the field of finance this means not only pursuing

financial liberalisation through free trade and investment treaties but also the inclusion of provisions in these treaties that promotes systemic financial stability and sustainable development objectives Of interest to legal and non legal academics and students legal professionals and policy makers this book offers a nuanced defence of international law as an approach to global governance in finance and beyond as well as reform of international law to meet the needs of twenty first century society
