

WRITTEN COMPOSITION: EXPOSITORY #1

READ the information in the box below.

You can't set foot in the same river twice.

THINK about how the world has changed since the time you were born.

WRITE about a major change that you have witnessed during your own lifetime. Explain the importance of this change.

Be sure to --

- Clearly state your central idea.
- Organize your writing.
- Develop your writing in detail.
- Choose your words carefully.
- Use correct spelling, capitalization, punctuation, grammar, and sentences.

Important Advice: Please note that the prompt follows the **READ-THINK-WRITE** model. The **READ** and **THINK** components of the prompt are included to help prepare you for writing your composition. You do not need to write about the things that they mention. You must, however, write about what the **WRITE** component of the prompt tells you to write about.

Warning: It may be necessary to write about yourself in your essay. However, do not turn your essay into a story. Your purpose as an author is to **EXPLAIN** the thing that you have been asked to write about.

*It is okay if you don't find the **READ** and **THINK** components to be useful.
