Warring Hands And Fighting Fingers Victor Ashio, 2024-12-25 The concept of warring hands and fighting fingers is a powerful metaphor for the spiritual battles we face in life. Just as a skilled warrior uses their hands and fingers to wield their weapons, we too must learn to harness our spiritual strength to overcome the challenges that come our way. I still remember the darkest season of my life when I felt like I was under siege. The enemy's attacks seemed relentless, and I struggled to find the strength to keep fighting. But in the midst of that storm, I discovered the secret to waging war with my hands and fingers. I learned to lift my hands in prayer to wield the sword of the Spirit and to fight with the fingers of faith. I'm not alone on this journey. I've seen countless others face seemingly insurmountable challenges only to emerge victorious on the other side. I've witnessed the transformative power of spiritual warfare in the lives of those who have learned to fight with their hands and fingers. This book is born out of a desire to equip you with the same spiritual strength that has carried me and countless others through the battles of life. Within these pages, you'll discover the scriptural backing and practical advice you need to start waging war with your hands and fingers. You'll learn how to recognize the enemy's tactics and develop a strategy to counter them. Put on the armor of God and wield the sword of the Spirit. Harness the power of prayer and fasting to fuel your spiritual battles. Develop the fingers of faith, forgiveness, and faithfulness that will carry you through even the toughest challenges. My prayer is that this book will be a catalyst for spiritual growth, empowerment, and victory in your life. May you emerge from these pages with a newfound sense of purpose, passion, and spiritual strength to overcome any obstacle that comes your way.

As You Seek so Shall You Find Barbara Knapp, 2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life. As we evolve and grow spiritually, we begin to search and seek for answers to some of the questions we have in our minds. We look for the purpose of our existence and what that all means. In seeking, you find that there really is a higher purpose and that your soul yearns to find that. The soul begins the process of awakening and begins its ascension back to its source. This is the journey of the soul.
