

Critical Lens Essay Example

Aristotle once said, "Happiness depends upon ourselves". This quote means that you are the only one who can determine your future. This is proven true through many works of literature, including The House on Mango Street by Sandra Cisneros and The Absolutely True Diary of a Part-Time Indian by Sherman Alexie. Both authors use characterization to show that you can make a bad situation in your life better if you make the right choices.

In The House on Mango Street, Sandra Cisneros shows how you are in control of creating positive outcomes in your future. This book is about a girl named Esperanza and her quest to find happiness. One example is when Esperanza alters her future by not following the fate of other women in her town. She mentioned that she inherited her grandmother's name, but she did not want to inherit her place by the window. Esperanza's grandmother was not allowed to leave the house and live her own life. Her "job" was to stay home while her husband went out each day. Another example is when Esperanza set goals or dreams for herself. She knew that one day she wanted a home of her own. Throughout the book, Esperanza made sure that she never lost sight of this dream. Eventually, Esperanza achieves her dream and created more happiness for her future. Sandra Cisneros uses characterization to demonstrate that Esperanza was determined, motivated and independent. She is the only one who could fully determine the path that lead to happiness in her future. She had to set goals and break the pattern of how every other woman she knew lived in order to create a better life for herself.

Another piece of literature that proves you are the only person who can determine your future is The Absolutely True Diary of a Part-Time Indian by Sherman Alexie. This book is about a teenage boy named Junior who was born with water on his brain. Junior has to overcome many obstacles and make several life-changing decisions in order to improve the outcome of his future. One example that demonstrates that you are the only one who can turn your life around for the better is when Junior decides to leave the Indian Reservation and go to a public school away from his family. It was not easy for Junior to break the tradition of every other member of his family, but he knew
