

Placement Testing Policies & Procedures 2012-2013

I. PCC PLACEMENT TESTS

Math and English Placement:

PCC offers the following placement tests for students: Accuplacer and ASSET. These tests are used to determine the beginning math and English courses in which students will be the most successful.

1. The Accuplacer, developed by The College Board, is PCC's main assessment tool. This placement test consists of three parts: reading comprehension, sentence skills, and mathematics (arithmetic and elementary algebra). The Accuplacer test is used in off-site testing when there is computer and Internet access available. Because PCC endorses a "whole language" approach to teaching English, the multi-measure feature is utilized to combine reading and writing scores to determine an English placement.
2. The ASSET test, developed by ACT, is used to test students who are completely unfamiliar with computers and to accommodate students with special needs when appropriate. There are four components of ASSET: Writing Skills, Reading Skills, Numerical Skills, and Elementary Algebra. The multi-measure feature is also utilized to combine reading and writing scores to determine English placement.

Computer Skills Placement:

PCC offers the PCC Computer Skills Placement Test for students. This test is used to determine the beginning computer class in which the student will be the most successful. Students must take this test through PCC, either at the Testing Office or as a proctored exam for distance education students.

II. PLACEMENT TESTING REQUIREMENTS

All students will be required to take placement tests. Exceptions are noted in Section III.

Applicants should complete an application for admission to the college **before** taking the placement test. Admissions Counselors will refer students with completed applications to the Testing Center for placement testing.

Accuplacer placement testing is offered on a walk-in basis during specific lab hours. The Accuplacer is used in off-site testing when there are computers and Internet access available. ASSET is offered by appointment only for special circumstances such as large group testing, off-campus testing, and disability testing.

Students should be encouraged to review reading, writing, and math skills before taking any of the tests. Students can review sample questions by visiting our website at www.pittcc.edu. Follow the links from Academics to Admissions. Placement Testing is an option on the left hand side of the Admissions page.

Students must present a valid photo I.D. to a member of the Testing Center staff before any of the placement tests can be administered. Acceptable identification is a document with both a photo and a name, such as a driver's license, state-issued identification card, or school I.D.

Pitt Community College Math Placement Test
