From then on, Avery vows never to let a man into her life again. But then she meets Tristan Morganson. Ruin Me Jessica Sorensen, 2015-04-20. A part-time student CNA and caretaker for her slightly deranged mother Clara McKinney doesn't have time for a relationship. That's why her friends with benefits arrangement with sexy and ridiculously charming Jax Hensley works perfectly. But Jax has other ideas. The moment Jax met Clara, he was instantly drawn to her wittiness, confidence, and gorgeous smile. Even though he agreed to the friends with benefits arrangement, he secretly hopes for more than their weekend hook-ups. When Jax's estranged mother mysteriously disappears, he sees an opportunity to spend more time with Clara. After convincing her to return home with him, a new agreement is made: One road trip and week together to find out why his mom vanished into thin air. Things are about to get complicated.

The Opposite of Ordinary Jessica Sorensen, In one day I went from being Ashlynn Wynterland, one of the most popular girls in school, to being the girl who spends lunchtime hiding out in a classroom and watching Maxon Harter and his science-obsessed friends mess around with experiments. All because Queeny Harlington thinks I made out with her crush. Queeny Harlington is the queen of Fareland High. And up until a day ago, she was my best friend. Now she's my worst enemy who's threatening to tell the entire school all of my dirty little secrets. Being a friendless social outcast has its downsides. So when Maxon invites me to hang out with him and his friends, I accept his offer even though they all seem to despise me. Which is fine. Sort of. The truth is I've always thought Maxon is cute in a weirdly unordinary way. And the more I get to know Maxon, the more I find myself liking him. But when Queeny decides to tell everyone my darkest secret of all, my new friendship doesn't look as if it's going to survive. As my heart breaks, I make a choice that ends up shattering my world. In that dark moment, I discover that Fareland is a town with secrets and that nothing is what it appears to be. A dark secret society romance that follows Ashlynn and Maxon from high school to adulthood.

Diary of Lexi Ashford Jessica Sorensen, Lexi has always had a reputation for accidentally messing things up, but she never thought she'd be jobless and homeless at twenty-six. With no other choice, she returns to her hometown to do a little life searching. Lexi quickly discovers a lot has changed in the eight years since she first left Fairville, a quirky little town in the middle of nowhere. Most of her best friends from high school are now married and have children, and her parents have sold their home and are now living in a loft above their store. One thing still remains the same though: Anders, her old high school crush, is still as hot as ever. Determined to get her life back on track, Lexi starts searching for an apartment and a job. But during a crazy night at one of her friend's bachelorette parties, she wakes up in Las Vegas hungover and married to Evan, Anders' brother, a guy she barely knows. So much for getting her life back on track.
