Seat, 2023-08-18 In step with the MeToo

movement and third wave feminism women s roles provoke lively debate in today s evangelical sphere The Southern Baptist Convention SBC has a complicated past regarding this issue and determining what exactly women s roles in home church and society should be or even what these roles should be called has been a contentious subject In *A Marginal Majority* Women Gender and a Reimagining of Southern Baptists editors Elizabeth H Flowers and Karen K Seat and eight other contributors examine the SBC s complex history regarding women and how that history reshapes our understanding of the denomination and its contemporary debates This comprehensive volume starts with women as SBC fundraisers moves to the

ways they served Southern Baptist missions and considers their struggles to find a place at Southern Baptist seminaries as well as their launching of teaching or women's ministries. Along the way it introduces new personalities, offers fresh considerations of familiar figures and examines the power dynamics of race and class in a denomination that dominated the South and grew into a national behemoth. Additionally, the essay collection provides insights into why the SBC has often politically aligned with the right. Not only did the denomination become increasingly oriented toward authoritarianism as it clamped down on evangelical feminism but as several contributors reveal, even as Southern Baptist women sought agency, they often took it from others. Read together, the chapters strike a somber tone, challenging any triumphal historiography of the past. By providing a history of contentious issues from the nineteenth century to the present day, *A Marginal Majority* provides invaluable context for the recurrent struggles women have faced within the United States' largest Protestant denomination. Moreover, it points to new directions in the study of American denominational life and culture.

Sexual Reformation? Manitza Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28. Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles, a vast number of utterances have been made in the name of so-called Christian values and biblical views on sex and sexuality. These are often given from moral, ethical perspectives and seemingly very prescriptive: who should have sex with whom, when sex should take place, which purposes sex should serve, and especially when sex is wrong. Moreover, often there is little or no recognition of the complexities surrounding human sexuality, resulting in what appears to be a blueprint for sexuality applicable to all persons. This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality, with the aim of exploring what a sexual reformation within Christian dialogue might entail. Presented in three sections—namely, systematic theological reflections, biblical reflections, and ethical reflections—the essays represent a range of topics from a variety of perspectives: Luther and marriage, sexual abuse in the Catholic Church, body theology and the sexual revolution, reproductive technologies, sexuality and reproduction, reproductive loss, hermeneutical choices, and gender reformation in South Africa, queer engagements with the Bible, Joseph's explorations on Paul and sex, rape culture, and violent deities, the church's moral authority, and sexual ethics. Practical theological considerations regarding infertility, empirical research on masculinities in Zambia, and the lived experience of transgender people in African Independent Churches.
