### GUIDED READING *Reforming the Industrial World*

**A. Determining Main Ideas** As you read about the age of reforms, take notes to answer the questions about the ideas of the philosophers and reformers of the Industrial Revolution.

| The Economic Philosophers | What were the basic ideas of each philosopher?                                                              |
|---------------------------|-------------------------------------------------------------------------------------------------------------|
| 1. Adam Smith             | He thought that economic liberty guaranteed economic progress. Government should not interfere the economy. |
| 2. Thomas Malthus         | Population are increasing more rapidly than food supply, and people were becoming poor.                     |
| 3. David Ricardo          | He believed that a permanent underclass will always be poor. Wages will decrease as population increase.    |

| The Social Reformers                        | How did each reformer try to correct the ills of industrialization?                                                 |
|---------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| 4. John Stuart Mill                         | Mill wished to help working people with policies that would lead to a more equal division of profits.               |
| 5. Robert Owen                              | He improved the working condition for his employees, and created a nice living place in in New Harmony.             |
| 6. Charles Fourier and Henri de Saint-Simon | They had the idea of socialism which the factors of production are owned by the public.                             |
| 7. Karl Marx and Friedrich Engels           | He introduced a radical type of socialism called Marxism, and predicted that the workers will overthrow the owners. |
| 8. William Wilberforce                      | He led the fight of abolition to end the slave trade in Britain.                                                    |
| 9. Jane Addams                              | She ran settlement houses to help the poor in the united states.                                                    |
| 10. Horace Mann                             | He was one of the most prominent us reformers, she favored free education for children.                             |
